IN FIERCE FIGHT

BOERS AND BRITONS BATTLE DESPERATELY.

BOTH SIDES LOSE HEAVILY

DELAREY'S COLUMN IN THE ENGAGEMENT.

THE BOERS WERE REPULSED

LIGHT ON THE EXECUTION OF BRITISH COLONIALS.

London, April 4.—There was severe fighting all day long on March 31, in the neighborhood of Hart's river, in the southwestern extremity of the Transvaal, between part of General Kitchener's force and the forces of Generals Delarey and Kemp, resulting in repulse of the Boers after heavy losses on both sides. The Canadian Rifles especially distinguished themselves, one party, commanded by Lieutenant Bruce Carruthers, holding its post until every man was killed or wounded.

Lord Kitchener's official report, dated from Pretoria, yesterday evening, says:

"General Kitchener, (Lord Kitchener's brother) sent Colonels Keir and Cookson from Vriekuil, western Transvaal, March 31, to reconnoitre towards Hart's river. They soon struck the track of guns and carried on a running fight for eight miles, following the track through the bush. Emerging on a plain large Boer reinforcements advanced against their flanks, forcing the British troops to take up a defensible position, which they hastily entrenched. Fighting ensued at close quarters till the Boers were repulsed on all sides. Delarey, Kemp and other leaders vainly attempted to persuade their men to renew the action. Fifteen hundred Boers participated in the engagement, but they had suffered too heavily, and cleared away to the northwest and south. The British losses were also severe. The Canadian Rifles especially distinguished themselves, one party, commanded by Lieutenant Bruce Carruthers, holding its post till every man was killed or wounded. Others of the forces showed great steadiness, allowing the Boers to advance within two hundred yards of them and repelling them with a steady rifle fire."

IT WAS PLAIN MURDER.

London, April 4.—The war office this afternoon issued an official statement of the facts in regard to the Australians sentenced for murdering Boer prisoners, as follows:

"The Bushveldt Carabineers, who were recruited in South Africa, but included other colonials, were employed in July and August in the wildest part of the Transvaal, eighty miles northeast of Pietersburg, and took a certain number of prisoners. Grave irregularities on the part of certain officers of the corps came to the knowledge of the military authorities in October and an exhaustive investigation was ordered by Lord Kitchener. As a result of the inquiry five officers were tried by courtmartial at Pietersburg, in January, 1902, and were found guilty, as principals or accessories, to twelve murders. Lieutenants Hancock and Morant were sentenced to death, which was carried out. These officers were also charged with the murder of the Rev. C. Hesse. Although there was strong suspicion that they committed the murder, the evidence was not considered sufficient to justify their conviction. Lieutenant Witton was found guilty of murder and was sentenced to death, but there were mitigating circumstances and the sentence was commuted to life imprisonment at penal servitude. Lieutenant Picton was found guilty of manslaughter, and was cashiered. Major Lenahan, commanding the Carabineers, who became aware of the crimes subsequent to their commital, was convicted of culpably neglecting to report them, and was ordered home to Australia, his dismissal being unnecessary, owing to the disbandment of the corps. No doubt exists as to the guilt of the accused, whose plea, in extenuation, that a number of their corps were ill-treated by the Boers was not sustained by the evidence at the trial. The sentences were such as would have been inflicted on any officers similarly guilty."

ANNUAL CONCERT TONIGHT.

This evening at Wayne street M. E. church the Linden quartet will give its sixth annual concert, and it is certain that a musical treat is in store for the large audience that will attend. In addition to the well known ability of the Lindens, the program is augmented by a strong representation of the best musical talent in the city, including the Haydn and Apollo quartets, Mrs. F. E. Stouder, Mrs. S. E. Moffat and Mrs. H. G. Keegan. The sale of tickets has been very large and the program will be one of the finest ever presented to a Fort Wayne audience.

PASSED THE MERGER BILL.

Des Moines, Iowa, April 4.—The senate late last night took up what has been known as the Hubbard "merger" bill and passed it with but five dissenting votes. It authorizes Iowa railroads to extend their lines into all other states, to own, construct and buy railroads and to buy, own and control stock and securities of other railroads in all other states. An amendment was added prohibiting them from acquiring stock or the property of competing lines in such other states. At present they may do all these things in states adjacent to Iowa, but not in those not adjacent.

TO THE SCENE OF MASSACRE

BODIES OF BALANGIA VICTIMS TO BE EXHUMED.

Detchment of Soldiers Goes to Samar

—A Manila Editor is Heavily Fined for Offenses.

Manila, April 4.—A burial corps has gone to Balangiga, Island of Samar, to exhume the remains of the members of the Ninth infantry, who were massacred there in September last.

Senor Valdes, the editor of a Spanish weekly paper here, convicted of libeling two Filipino members of the Philippine commission, Benito Legarda and Dr. Pardo de Tavera, former president of the liberal party, has been fined 4,000 pesetas. The judge said that the offer to prove the truth of the assertions made aggravated the original offense.

There was a celebration here today of the arrival at this port of the steamer Peru from San Francisco, the first direct American mail steamer to reach Manila. The celebration was under the auspices of the chamber of commerce. General Luke Wright, acting governor of the Philippines, and Prof. Dean C. Worcester, of the Philippine commission, were the principal speakers.

Judge Villamor, accompanied by the assistant attorney general, has gone to Tayabas, where he will hold a special court to try over 500 cases of treason and sedition.

JUSTICE MOVED SWIFTLY

MURDERER LANE CONDEMNED TO DEATH.

Colored Fiend Who Killed Woman and Two Children in Philadelphia Gets a Quick Trial.

Philadelphia, April 4.—William H. Lane, the colored servant who on Tuesday last murdered Ella J. Jarden and her daughter, Madeline, and so badly wounded another daughter, Eloise, that she died today, was convicted of murder in the first degree this afternoon, after a trial lasting less than one and a half hours. Lane pleaded guilty yesterday afternoon and was placed on trial at 1 o'clock today. Because of Lane's plea of guilty no jury was drawn and only three witnesses were called for the purpose of determining the degree of murder. At 2:20 o'clock Judge Biddle sentenced the murderer to death. The date of his execution will be fixed by Governor Stone.

KOREAN MISSIONARY HERE.

Rev. Graham Lee, who spent a number of years in Korea as a missionary, is in the city for a few days' visit. Rev. Lee will probably preach at the First Presbyterian church on Sunday.

Mr. and Mrs. John Pulz, jr., who have been visiting Mrs. Pulz's parents, Mr. and Mrs. H. Boehrs, for the past six weeks, left this afternoon for New York city, the home of Mr. Pulz's parents, where they will reside.

John R. Hoagland, of Chicago, is visiting in the city. He is a son of Hon. Pliny Hoagland, for many years a prominent citizen of Fort Wayne.

SARGENT TAKES IT

TO BE GENERAL COMMISSIONER OF IMMIGRATION.

CONFERS WITH PRESIDENT

APPOINTEE IS CHIEF OF LOCOMOTIVE FIREMEN.

PROCEEDINGS IN CONGRESS

EXCLUSION BILL TAKEN UP IN HOUSE AND SENATE.

Washington, April 4.—Frank Sargent, president of the Brotherhood of Locomotive Firemen, saw the president today and was tendered the position of commissioner general of immigration. Mr. Sargent accepted the offer, but he told the president that it would be necessary for him to close up his business affairs before he could take charge of the office. The president informed him he could have all the time he wanted. In the meantime he is to familiarize himself with the duties of his new position. It is understood that the resignation of Messrs. Powderly and McSweeney have been requested, or will be at once. Joseph Murray will succeed the latter and William Williams will be nominated soon to succeed Commissioner of Immigration Fitchie at New York.

IN THE HOUSE.

Washington, April 4.—At the opening of the session of the house today the speaker laid before the house an invitation from the Army of the Cumberland for the participation by a committee of the house in the services at Arlington cemetery upon the occasion of the reinterment of the remains of the late Major General William S. Rosecrans, which are to be removed from Los Angeles, Cal., to Arlington about the middle of May. Upon motion of Mr. Grosvenor (of Ohio), a joint resolution was adopted for the acceptance of the invitation and the appointment of a joint committee to attend the ceremonies at Arlington.

Some routine business was transacted. A small urgent deficiency bill carrying $143,000 was passed.

Mr. Mahon (of Pennsylvania) asked unanimous consent that the omnibus claims bill be sent to conference, but Mr. Maddox (of Georgia) objected. This was the day set aside for the consideration of war claims, but Mr. Mahon, chairman of the committee on war claims, yielded, with the understanding that a week from Tuesday be devoted to war claims, and the house thereupon went into committee of the whole and took up the Chinese exclusion bill. The speaker called upon Mr. Moody (of Massachusetts), who is to succeed Secretary Long May 1, to preside over the committee of the whole. As the future secretary of the navy assumed the gavel the members on both sides of the house gave him an ovation.

Mr. Hitt (of Illinois), chairman of the committee on foreign affairs, who had personal charge of the exclusion bill, said the committee was unanimous in the opinion that the admission of Chinese laborers into this country would be a serious evil. One of the main problems which the committee had to solve, he said, was in connection with the admission of the privileged classes, merchants, travelers, officials, teachers and students, so as to prevent fraud and at the same time to avoid harrassing and tormenting bona fide Chinese merchants. Mr. Perkins (of New York), who drew the report upon the bill, explained the measure in detail.

Mr. Clark (Mo.), a member of the committee, who made a minority report in favor of the senate bill, which is more drastic than the house measure, followed Mr. Perkins. He predicted that if the supreme court should decide that the citizens and subjects of Spain in the Philippine islands became American citizens by annexation, thus allowing the free entry of Chinamen into the United States, from the Philippines, the islands would be unloaded.

Mr. Clark maintained that the people of the Pacific coast understood the Chinese problem better than the people of the other sections just as, he said, the people of the south were more competent to deal with the negro question than those of the north. For that reason he favored the bill which the representatives of the Pacific coast had prepared. If the substitute bill failed Mr. Clark said he would offer the provision to prohibit Chinese crews on American ships as an amendment to the majority bill. He characterized the threat of the Pacific Mail company to sail under English register if this provision went into the bill as a "bluff, pure and simple."

IN THE SENATE.

Washington, April 4.—When Mr. Jones, of Arkansas, appeared on the floor of the senate today after a protracted absence, during which he passed through a warm and unsuccessful contest for re-election, he was surrounded immediately by many of his colleagues, all anxious to learn the details of the contest. He was given a most cordial greeting by senators on both sides of the chamber. The senate at the conclusion of routine business proceeded to the consideration of the Indian appropriation bill.

At 2 o'clock, the Indian bill having been completed, the unfinished business—the Chinese exclusion bill—was taken up for consideration.

Mr. Mitchell, of Oregon, addressed the senate in support of the measure. His speech had been carefully prepared and was given careful attention by senators.

Mr. Mitchell, in beginning, said that the policy of Chinese exclusion had become one of the great policies of this country, acquiesced in by all political parties and as firmly fixed as the Monroe doctrine. It is a policy based upon the general welfare, upon the principle of protection to American labor and upon the doctrine of protection against noxious infection of those institutions which constitute American civilization.

Mr. Mitchell then entered on an extended analysis of the proposed measure, making his explanation of its provisions in the light of the decisions of the highest courts relating to Chinese exclusion, which have been delivered since the enactment of the Geary act. The theory on which the measure was constructed, he said, "is not that all Chinese persons who are not prohibited, may enter this country; but upon the contrary, the legislation proceeds upon the theory that only those are allowed to enter who are especially allowed.

"The right to exclude foreigners is one of the highest attributes which attaches to American sovereignty. Indeed, so all controlling is this right that no treaty stipulation to the contrary can stand for one moment against it.

"But happily the legislation proposed does not involve any question of public faith. The bill is but an attempt to crystalize into one intelligent, harmonious statute the laws upon this subject as they exist today, with such elaboration and extension as are necessary to apply the policy of exclusion to our insular possessions. It is legislation which seeks to throw the folds of portection around the laborer of this country and also to protect from pollution the morality of the republic and of the people, which otherwise must inevitably result from an admixture with the people of unlimited numbers of a race wholly incapable of assimilation, who never can become citizens, and whose vices are a deadly and dangerous menace to our people and government."

In conclusion, Mr. Mitchell warned the republicans of the senate that if they failed to pass the proposed bill, which had been agreed upon by a non-partisan commission and insisted on forcing the passage of a statute "which is inadequate and inefficient, then, at the coming election, look out for such a vote of condemnation of the republican party on the Pacific coast as you have not heard since the overthrow of the republican party in 1884."

CAPTAIN CARTER'S CONDITION.

Kansas City, April 4.—According to a telephone message from Leavenworth, Kan., early today, the condition of Oberlin M. Carter, former captain of engineers, is unchanged. Carter passed a fairly good night and was resting easy this morning, when his temperature was reported at 103. Warden McClaughry said: "It is a straight case of typhoid fever. It is too early to determine the result, but the case looks serious." H. G. Stone, Carter's attorney, who has been engaged on the government's case against the former captain, will arrive at the sick man's beside today, from Chicago. Mr. Stone was telegraphed for yesterday, Carter, it is said, desiring to sign certain papers in the case before the disease might take a serious turn.

SLAIN BY HIS RIVAL.

Eckman, W. Va., April 4.—Peter Allen was shot and instantly killed by John Brown near here last evening. The men both loved the same girl. Allen had called on the lady in question early in the evening and was returning home when Brown met him with a double-barreled shotgun and emptied both barrels into his body. Brown surrendered.

BONDS OF PEACE

WILL BE STRENGTHENED BY CECIL RHODES' WILL.

SCHOLARSHIPS FOR AMERICA

TWO AT OXFORD FOR EACH STATE AND TERRITORY.

SOME ALSO FOR GERMANY

SAYS BRITON, AMERICA AND GERMANY CAN KEEP PEACE.

London, April 4.—The will of Cecil Rhodes provides for the establishment of colonial scholarships, as previously announced, and two American scholarships to each of the present states and territories of the United States.

The will of Mr. Rhodes also provides for five scholarships for students of German birth, at Oxford, to be nominated by Emperor William, and, commenting on the bequest, Mr. Rhodes, in a codicil telegraphed from South Africa, said:

"For a good understanding between England, Germany and the United States will secure the peace of the world, and educational relations form the strongest tie."

All the Rhodes scholarships, American, colonial and German, are at Oxford.

Mr. Rhodes' will is a remarkable and voluminous document of more than 3,500 words. Even this is not the entire will, as the executors only gave out the portions which they consider to be of public interest. It was executed in 1899. There is a codicil attached on the day of the deceased's last departure from England and another, cabled from Cape Town, leaves £4,000 yearly to keep up the spot in the Matoppo hills where his remains are to be buried. The will further directs that a railroad extension be made into the Matoppo hills so that visitors may go there at the week-end to inspect the "majesty and glory of their surroundings."

Mr. Rhodes explicitly says he is to be buried in an aperture cut in the solid rock, surmounted by a brass tablet bearing the words:

"Here lie the remains of Cecil John Rhodes."

No one else is to be buried there who has not deserved well of his country.

Mr. Rhodes bequeaths all his landed property near Buluwayo and Salisbury, both in Matabeleland, to trustees, whom he directs to cultivate the land for the instruction of the people of Rhodesia. His celebrated country place at Groot Schuur, not far from Cape Town, Mr. Rhodes leaves as a residence for the "prime minister of the federal government of South Africa," with £1,000 yearly for its maintenance.

W. T. STEAD WRITES.

W. T. Stead wrote the following for the Associated Press:

"The will of Cecil Rhodes is in every respect worthy of its author. With the exception of some family estates in this country, the whole of which are left to his own relatives, Mr. Rhodes has dedicated his wealth in diamond and gold mines to public uses. Its disposition is dictated by what was ever the dominating principle of his life.

"What renders this will of exceptional interest to Americans is the fact that it reveals for the first time, under his hand and seal, that he was no mere British imperialist, but that he was essentially a citizen of the United States, of the English-speaking world. In other words, his will proves how accurately I interpreted his sentiments when I declared, on the strength of many intimate and confidential conversations, that he recognized as his common fatherland the great English-speaking community, which includes both the United States and the British empire within its ample frontiers."

"Mr. Rhodes' first will was made in September, 1877, when he was a young man of 24. At that time he was only beginning to amass the wealth which, before he died, had made him a multi-millionaire, not in dollars, but in pounds sterling. His last will was dated January 1, 1899. But the two documents are essentially alike in sentiment. They both embody, in express terms, what was ever the master thought of this master mind, the necessity for promoting the reunion of the English-speaking race.

A MAGNIFICENT BEQUEST.

"Mr. Rhodes' will appoints a well known group of seven of his friends as general executors of his estate. This group is further charged to undertake the duty of acting as trustees for the educational endowment fund, which will provoke the liveliest discussion and excite the keenest interest throughout both the United States and the British empire, for both communities share in the benefit of Mr. Rhodes' bequest. Mr. Rhodes was a graduate of Oxford and a student at Oriel college, to which, by the way, he has left a special bequest of $500,000.

"He has made Oxford university, in whose glories the American descendants of its founders share equally with those who still inhabit the old country, the center of his educational scheme, and he has left a sum which may be roughly capitalized as representing $10,000,000, for the foundation of Anglo-American scholarships, tenable at Oxford for three years. Mr. Rhodes, it will be remembered, was so impressed with the value of a university education that after he had been compelled to break his course at Oxford by ill health, which rendered it impossible for him to winter in England, he returned every summer from South Africa in order to complete his university career. To his thinking the university, better than any other institution, naturally affords a vivifying center of race unity. It is free from all political complications, and a residential university, with the old traditions of Oxford, seemed to him the best fitted for the purpose he had in view. When I discussed with him the question of the choice of the university which should be selected as this race center, the respective claims of Oxford and Cambridge or some American university were freely discussed.

WHY HE CHOSE OXFORD.

"That Mr. Rhodes settled the question in favor of Oxford was due to his devotion to his old university, and if these fellowships had to be tenable at any one center it would be difficult to cavil at his choice. Mr. Rhodes, therefore, having selected Oxford as his race-center, from his love of his old alma mater, has drawn up a broad outline of the general conditions upon which these scholarships should be awarded. The central principle of his scheme is that every English-speaking colony and every state and territory in the American union should be offered a scholarship of the value of $1,500 a year, tenable for three years, at Oxford. By this means Mr. Rhodes believed it would be possible to make Oxford the center of the spirit of race unity, where students from every part of the English-speaking world would meet, on common ground, in the most famous of the old universities."

WILL BUILD FINE STRUCTURE

SEVEN APARTMENT HOUSES IN DOWN TOWN DISTRICT.

John Dreibelbiss Purchaser Old Kiser Homestead at Wayne and Webster Streets.

A handsome and thoroughly modern apartment building, exceeding in magnificance any similar structure now in the city, is soon to grace the northeast corner of West Wayne and Webster streets.

John Dreibelbiss today purchased the old Peter Kiser homestead at that point. The tract is 60x150 feet in size and the price paid was $7,500. The present house there is to be vacated at once, and it will give way to a structure that will cost in the neighborhood of $40,000. Architects are already at work upon the plans, which provide for seven three-story apartment houses, thoroughly modern in every appointment. Three will have a frontage on Wayne street and four on Webster street. Mr. Dreibelbiss expects to have the site in readiness to begin the erection of the new building by June 1.

The location is one of the most desirable in the city for the purpose to which Mr. Dreibelbiss intends to devote it. The property has been on the market for some time, and a year or more ago there was a prospect that one of the Christian Science congregations would secure it as a site for a handsome temple. The plans never materialized, however. The corner was for many years the home of Peter Kiser, one of the most prominent of Fort Wayne's early citizens, who died some years ago.

HER NAME IS KATE.

William Keck is a plaintiff in Justice Huser's court in which he charges a woman whose name he knows no further than that it is Kate with having emptied a bucket of slops on his head. Both parties live at 63 Superior street.

A Garrett correspondent says: "W. R. Davis has accepted the position of salesman with a Fort Wayne tea and coffee house. He and his estimable wife expect to move to that city soon."

THAT MULE CAMP

GOVERNOR OF LOUISIANA IS IN WITH A COMPLAINT.

WRITES TO THE PRESIDENT

WANTS BRITISH POST NEAR NEW ORLEANS REMOVED.

PRESIDENT TO LOOK UP LAW

GENERAL NEWS AND GOSSIP OF WASHINGTON.

Washington, April 4.—The time of the cabinet today was taken up almost entirely with a communication which the president has received from the governor of Louisiana protesting against the camp alleged to be maintained in that state by agents of the British government for the purpose of supplying mules and teams to the British army in South Africa. The president has directed an investigation into the facts and the law bearing upon the question.

TO SUBSTITUTE RAY BILL.

Washington, April 4.—The house committee on judiciary today decided to substitute the bill of Chairman Ray dealing with anarchy and attempts on the life of the president for the senate bill recently passed on the same subject. The Ray bill goes farther than that of the senate, providing for the exclusion of anarchists and also for the suppression of incendiary propaganda.

RUSSIA HAS NOT ASKED.

Washington, April 4.—It is learned that the Russian government has not asked the assent of the United States government to the convention it has just concluded with China regarding Manchuria. But the United States government already has expressed its objections to certain features of the original convention, and as these do not appear in the published outline of the treaty provisions, it can be stated that our government would not interpose any objection to the ratification of the existing document if its assent were necessary.

The provision pledging Russia to evacuate Mischwang immediately the powers evacuate Tien Tsin is regarded as the test-place of the agreement and as calculated to hasten the powers in their withdrawal.

ROOT PREPARES REPORT.

Washington, April 4.—Secretary Root has prepared a report in answer to a resolution of the senate calling for all the information contained in the reports of Colonels Chamberlain and Maus, of the inspector general's department, in regard to the transportation on army transports of freight for private firms or individuals. The secretary instituted a thorough investigation of the transport service at all the points of shipment in this country and in Manila and as a result he is able to inform the senate that the records of the department show that there are no cases of the character referred to in the senate resolution of inquiry. The rules of the service prohibit the transportation of private merchandise for private parties and is so strictly enforced that even samples cannot be carried on the government ships. It is expected that the secretary's report will be forwarded to the senate tomorrow.

ANDREWS CASES POSTPONED.

Detroit, April 4.—The police court examination of Frank C. Andrews, vice president of the wrecked City Savings bank, and Henry P. Andrews, cashier of the institution, on the three complaints which have been placed against them as a result of the bank's ruin, set for today, has been postponed for two weeks. F. C. Andrews' attorneys notified the court that they would not be ready to proceed with the case two weeks hence, as they needed more time for examination of the bank's books. Henry C. Andrews is still very weak and ill and his attorney intimated that he would not be able to have his examination begun on the date set.

VISIT MRS. M'KINLEY.

Canton, Ohio, April 4.—Mrs. Myron T. Herrick and Mrs. Duncan, of Cleveland, the latter a sister of the late president, arrived here today for a visit with Mrs. McKinley, whose condition is about the same. She goes out driving frequently and visits the cemetery every day that the weather will permit.

Miss Abbie Pfeiffer, who has been at Hope hospital for seven weeks, was taken to her home yesterday.

USE ALLEN'S FOOT-EASE

A powder to be shaken into the shoes. Your feet feel swollen, nervous and hot, and get tired easily. If you have smarting feet or tight shoes, try Allen's Foot-Ease. It eases the feet, and makes walking easy. Cures swollen, sweating feet, ingrowing nails, blisters and callous spots. Relieves corns and bunions of all pain and gives rest and comfort. Try it today. Sold by all druggists and shoe stores for 25c. Don't accept any substitute. Trial package FREE. Address, Allen S. Olmsted, Le Roy, N. Y.

How to Borrow Money.

By carefully reading this you will get a very good idea how to borrow money.

We make loans of $10, $15, $25, $50, $75, $100, on furniture, pianos, horses and wagons, buggies, etc.

Everything is left in your possession and you have the use of both the money and the property. You can pay back your loan in weekly, semi-monthly or monthly payments and we give you from 1 to 12 months to pay it in. Don't go to your friends—be independent and come to us—we don't talk about your affairs to your neighbors. All our business is strictly PRIVATE and CONFIDENTIAL.

We will give full particulars as to our manner of making loans on calling at our office. Information cheerfully given and no charge.

THE BOARD SELECTS BRICK

SURPRISE SPRUNG IN PAVING MATTER.

Board Sets Aside Majority Petitions in Case of Buchanan and Force Streets.

The board of works met last evening to receive bids for the construction of pavements on Buchanan street and the Force street intersection.

The board this morning occasioned much surprise and gave the asphalt men a severe jolt by declaring in favor of brick and selecting Metropolitan block as the material.

Bids were received on three materials, namely, Trinidad pitch lake asphalt, Kentucky rock asphalt and vitrified brick, and prior to the opening of the bids Allen Martin presented a petition signed by the owners of 543 feet of frontage and by Emmett Martin signed by owners of 1165 feet of frontage asking that Trinidad asphalt be selected, while August Habig presented a petition representing 453 feet, asking that brick be selected. The bids submitted were as follows:

Barber Asphalt Paving Co., for Trinidad pitch lake asphalt with concrete foundation according to specifications, $7.84 per lineal foot for a street twenty-eight feet wide.

Western Construction Co., Indianapolis, same material, $8.

Inter-State Construction Co., Chicago, for Kentucky rock asphalt, $7.74, same character of material and according to same specifications, $8 flat.

Thompson & Case, Peoria, Ill., for Metropolitan repressed paving block, $7.73; for Nelsonville brick, $7.95.

C. Moellering & Co., Fort Wayne, for Metropolitan block, $7.35.

For the little jog at the intersection of Force and Buchanan streets separate bids were received on account of the difference in width of the street and the difference in excavation. For this small section the following bids were made:

Barber Asphalt Paving Co., for Trinidad lake asphalt, $9.55 per lineal foot.

Western Construction Co., for the same material, $9.85.

Inter-State Construction Co., for Kentucky rock asphalt, $8.96.

Thompson & Case, for Metropolitan block, 67.95; for Nelsonville brick, 58.20, but do not want the contract unless Buchanan street paving is awarded to them.

C. Moellering & Co., Metropolitan block, $8.45.

After the opening of the bids further action thereon was postponed until this morning at 9 o'clock.

When business was resumed at the old stand this morning the official hands on the official clock pointed to 9:15. At the same time the board's office was well filled with the representatives of the various materials in competition, as well as a number of persons interested along the line of the improvement under consideration. There was considerable speculation as to the outcome and it was generally supposed that the fight would be between the asphalt companies, who presented petitions representing nearly four times the frontage represented by the brick petitioners. It was shown that the total number of lineal feet to be paved, counting both sides of the street and intersections, was 6,048, of which 864 was street intersections and 5,174 was property frontage. There was not much discussion and the surprise came quickly when Member Doehrman moved that Metropolitan brick be selected, which motion was promptly seconded by Zollinger, and on the question being put by Chairman Eggemann he joined his associates and voted aye, making the selection of brick unanimous. S. B. Fleming, for the asphalt interests, then asked the board whether this morning's action was to be taken as an indication that hereafter the board would pay no attention to any petitions that might be presented on paving questions and whether that position would be the rule hereafter. He stated that it took considerable time, trouble and money to get up such petitions, but that if the board intended to rule that petitions would in future be disregarded it was only fair to give notice now. Mr. Doehrmann stated that the board was not ruling in the matter, but was going by its own judgment entirely and adopted what was thought best under the circumstances, which was their exclusive prerogative guaranteed by the city charter and the law. He said that the property owners had a right to within five days reverse the decision of the board and by a two-thirds representation change the material. Mr. Fleming said he knew they were acting under the law and within their rights, but wanted to know whether today's action should establish a rule. The members of the board, all talking at once, declared that there was no rule for their action. This is the first victory for the brick men in several years and the asphalt men are pretty sore. They say they have not much hope of getting two-thirds of the frontage on an asphalt petition. J. H. Bass, with about 300 feet, declines for personal reasons to sign either petition, while the Western Gas Construction company, with 1,300 feet, favors asphalt, but even this will not bring the frontage up to the necessary number of feet. Many of the property owners along the line object to a pavement of any kind, but if they must have one, prefer that which costs least. Along the line most of the dwellings face on the streets running north and south, which throws the long way of the corner lots on the street, making but two lots to a block on each side of the street. There are other difficulties which discourage the asphalt men, who say they have little or no hope of getting the selection of material reversed.

After approving several small sewer builders' bonds, the board adjourned. The time for protesting will expire on next Wednesday night at midnight.

CITY HALL NOTES.

The city day tax is being collected this year through the assessors instead of through special collectors as has been the custom heretofore. Last year no tax was collected and hence the collection this year will be double, $2 being required for each male dog and $3 for each female dog. There is considerable kicking, but after all the amount is exactly the same as though the odd dollar had been paid last year.

Charles Waltemath has been granted a permit to build two houses on Creighton avenue at a cost of $1,000 each; Lewis North, a house on Lewis street at a cost of $2,500, and Hilgemann Bros. a house on Hoagland avenue at a cost of $4,000.

The health department today raised the quarantine on the Grindle residence, on West Berry street, and on the Dickson residence on Ida avenue, both of which were quarantined on account of smallpox. The quarantine on the Parker residence will be raised about Monday, and on the same day one of the patients at the contagion hospital at the poor farm will be discharged.

E. W. GROVE.

This name must appear on every box of the genuine Laxative Bromo-Quinine Tablets, the celebrated Cold and Grip Cure. 25 cents.

200 Men's 75c Jersey working shirts to be closed out at 25c each, at THE PEOPLE'S STORE.

ABOUT THE COURT HOUSE.

Although the superior court is in vacation this week, there were courts galore in session at the county building this morning and the mills of justice were worked overtime. Judge Branyan, of Huntington, was sitting in the grand jury room as special judge in a superior court case in which May Pillars seeks to have a divorce decree which she obtained against Wallis Pillars several months ago modified. Originally the order of court was that the husband should have custody of one of the two children and Mrs. Pillars should have custody of the other; that the father should be allowed to visit the child in custody of the mother at reasonable intervals and that visits at reasonable periods should be interchangeable. There was no precise understanding as to the sustenance of the child in custody of the mother, and the present action is to modify the decree so as to compel the father of the child in custody of the mother to provide for its sustenance during minority.

In the superior court room Judge Adair, also a special judge, was hearing evidence and arguments in the case of Alden vs. Blum, to set aside an execution.

Judge O'Rourke and jury were engaged in hearing the arguments of counsel in the Branstrattor will case, which will probably go to the jury this evening.

The case of Siebert et al. vs. Mentzer et al. was dismissed today.

Frank Jeanmongin has commenced suit against Elmer Jeanmongin to set aside a conveyance and recover title to certain real estate.

Julia Fink was today awarded a judgment for $106.30 against her late husband, Jacob Fink, of Leo.

The case of the Imperial Shale Brick company vs. Joseph Derheimer has been set for trial in the circuit court for May 16.

Samuel Saale has filed a suit against the Smith & Randall Lumber company for damages in the sum of $3,000. The complaint has been taken off file, but is said to allege that the plaintiff was injured by the overturning of a tall pile of lumber which had been improperly laid up in the defendants' yard.

To be more explicit concerning the guardianship of A. J. Ford over his son, Guy B. Ford, the following facts should be known. Young Ford, while in the employ of the Chicago Newspaper Union, was injured while assisting in the unloading of a barrel of ink. On March 20 last Guy Ford, by his next friend, brought suit against the Chicago Newspaper Union for damages in the sum of $500; on the same day Judge O'Rourke gave judgment against the Chicago Newspaper Union in favor of Guy B. Ford in the sum of $500 for damages and $4.95 for costs. On March 25 the amount of the judgment and costs was paid to County Clerk Belot and today, April 4, the amount of the judgment was paid over to Andrew J. Ford, who was yesterday appointed his son's guardian. Out of this amount doctors' and other bills to the amount of $225 must be paid by the guardian.

HANGED FOR MURDER.

Trenton, N. J., April 4.—George Hettrick, alias Franklin Williams, was hanged in the Mercer county jail today for the murder of John Krause in this city on Thanksgiving day last. Hettrick, who had shown signs of collapse early in the week, walked to the gallows with firm step. The trap was sprung at 10:36 and Hettrick was pronounced dead ten minutes later. Just before his execution Hettrick sent a note to Sheriff Atchley in which he said he did not wish to see any newspaper reporters or to make any statement.

BANANAS BY THE MILLION.

How largely the toothsome banana and the festive cocoanut enter into the dietary of the American people may be judged by the fact that the United Fruit company alone, during the past year, distributed in the United States and Canada, approximately, no less than 17,500,000 bunches of bananas and 13,500,000 cocoanuts, in addition to other tropical fruits. Sixty ocean-going steamers were engaged exclusively in the banana trade. Estimating not over one hundred good bananas to a bunch these figures show an average consumption of more than twenty bananas each for every man, woman and child in the United States, and a few million extra for the good boys and girls. But an attempt to divide up the cocoanuts per capita will probably get us into trouble, for, while the bulk is enormous, it means only one cocoanut to every half-dozen persons—enough for all, perhaps, if the division were made on strictly equitable principles.—Leslie's weekly.

COSTLY CELEBRATIONS.

Exactly a quarter of a century ago the city fathers were welcoming another prince of Wales from India, and it has been estimated that the £27,000 spent on the reception was twice the weight of King Edward in those days.

Years before the city had spent nearly as much in celebration of the prince's wedding, £10,000 being the price of a necklace of which Queen Alexandra may well be proud even now that she has a crown. Far back in the sixties the sultan came from Turkey, and the city spent £24,000 to make him happy for a single day. Sixteen thousand satisfied the shah, and the czar of Russia was entertained the following year for only £13,000.

What the city will spend next year the city only knows. The coronation of Queen Victoria, we may be sure, is no precedent, for in 1837, when the queen attended the lord mayor's banquet, the entertaining bill was hardly more than £8,000, and fourteen years later, when the queen again visited the city, the cost of the visit to the corporation was less than £6,000.

Queen Victoria's visits to the city, indeed, were the least costly of all the royal visits to the lord mayor's kingdom. Thanksgiving day for the recovery of the prince of Wales cost the city £13,000, and the 1887 jubilee celebration accounted for an expenditure of nearly £12,000. Altogether the nine royal celebrations mentioned cost the city over £130,000—an average, to be exact, of £14,868 for each royal guest.

Whether the city has made up its mind to be more economical or not one does not know, but in our own time the city has entertained the German emperor, the shah of Persia and the king of Denmark for an aggregate sum of less than £8,000—less than a third of the sum spent on welcoming the sultan in 1867.

It would seem almost as if the corporation were returning to the simple ways of their fathers, who entertained George II at a cost of £37 13s and King Victor Emanuel for £1,338.—St. James Gazette.

BLINDNESS AN INHERITANCE.

There are eleven of the present Herreshoffs and five of them are blind, but they know how to build boats. Blindness is an inheritance of the Herreshoffs, though all the afflicted are not born so. One of them walked to a window one day to read a letter, and, turning around, said: "My, I am blind!" Another bumped his head against a door and his sight was gone. Some of them are born blind and all of them with the tendency, so that shocks and slight accidents induce loss of sight. They are rich and all have beautiful homes in Bristol. All of them are artistic. One brother teaches music for the love of it. Not one of the children of the present generation is blind yet. —New York Press.

Sir Robert Giffen, the statistician, estimates that $750,000,000 a year will soon be required for England's armament.

Governor Durbin asserts the scandal at Michigan City prison to be "none of his affair," and leaves the people to wonder what recourse there would be if the charges against the prison management were proved despite the governor.

The "fifty-cent" dollar that was such a scandal, immorality and danger, as well, in the United States not long ago, has been found good enough for the Filipino, and if the senate bill becomes law that kind of dollar will be the standard of value in the Philippines. Was that wicked syndicate of silver-mine owners that backed Mr. Bryan in 1896 lobbying in the senate Philippines committee?

The oleomargarine bill has passed the senate, with some drastic amendments that the house did not see fit to incorporate in the bill. The measure will now go to conference and is likely to become a law substantially as it passed the senate. The measure imposes a tax of $600 on manufacturers of oleomargarine, and this will include the makers of everything intended to resemble butter but not made of cream. In some respects it is likely to prove unpopular.

IT IS THE GOVERNOR'S AFFAIR.

Governor Durbin is reported as saying that the charges involving the administration of the Michigan City prison are "no affair of his;" that he refuses to act in the matter on the ground that he "cannot see that it is any business of mine to interfere with the action of the board," which, from all the testimony available has performed a very coarse piece of whitewashing.

Governor Durbin cannot escape responsibility in this way. There is no citizen of Indiana whose affair this prison scandal is so distinctly as Governor Durbin. He appointed the prison board and to the people of the state he is responsible for what his board may or may not do. Grave charges are formally preferred against the prison management and whether Governor Durbin believes these charges are true or trumped up it is his business to require the fullest investigation. Dr. Horne, the prison physician, has charged the prison management with brutal offenses that are not less than crimes. If these charges are true the course of affairs at the state prison is a disgrace to the state and peculiarly a disgrace to Governor Durbin, who can reform the prison administration, but does not do it.

We realize very well that the complaints of convicts in reformatory and penal institutes are to be carefully considered; that very often they are without foundation and that frequently convicts make them in malice. But in this case the complainant is not a convict, but an officer of the prison, a man of high character and good professional repute. He charges not what he has heard from the convicts, but what he has himself seen and heard. His charges cannot be lightly blown away. They are of a character to stand until they are disproved.

This scandal is the governor's affair and public sentiment will drive that fact home to him in good time.

A MARTYR TO SCIENCE.

New York, April 4.—Dr. Clinton H. Catherwood, of this city, who has devoted his time and his wealth not only to the scientific investigation of tuberculosis, but to the gratuitous treatment of the consumptive poor, has contracted the disease from one of his patients and is now on his way to Colorado, hoping that the climate there will help him save his own life. He is twenty-seven years old and has been practicing medicine only a few years. When he left college and started out on a career which, because of his wealth and social position, was a most promising one, he was not only very robust, but was classed among the athletic. He became a surgeon at both the Hudson street and French hospitals. At his home he devoted certain hours every day to poor tuberculosis patients. He studied incessantly and believed he was on the eve of important discoveries for the cure of the disease when he was smitten.

WILL REACH CITY TOMORROW

LIEUT. IVERS W. LEONARD IS NEARING HOME.

Fort Wayne Officer is Recommended for Promotion for Distinguished Gallantry in Action.

Fresh from more than three years of active service with the Thirty-second United States infantry in the Philippines, Lieut. Ivers W. Leonard, the well known young Fort Wayne officer, will reach this city tomorrow to begin the enjoyment of a three-months' furlough. Lieutenant Leonard, who has been with his regiment at Fort Crook, Neb., since its arrival from Manila a few weeks ago, reached Chicago yesterday. Mrs. Leonard, who, with the children, has remained in Fort Wayne, left for Chicago yesterday and there husband and wife met after a separation of nearly four years. They will return to Fort Wayne tomorrow, reaching the city over the Pennsylvania during the afternoon or evening. At present Lieutenant and Mrs. Leonard are the guests of the officer's sister, Miss Mary Leonard, in Chicago. Gratifying as must have been the meeting between husband and wife, another marked pleasure is yet in store for Lieutenant Leonard when he reaches this city. This will be the first sight of his little daughter, Eleanor, a bright, lovable little one, born a few months after her father entered the military service.

WILL BE PROMOTED.

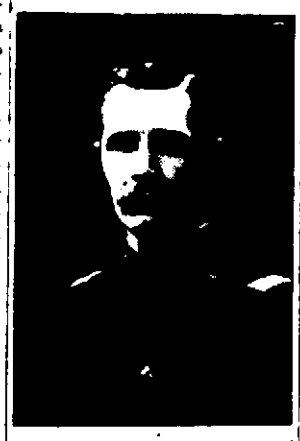
Another gratifying honor has just come to Lieutenant Leonard by the act of President Roosevelt, who has sent to the senate the name of the young Fort Wayne officer for promotion by brevet. In the list it appears as follows: "First Lieutenant Ivers W. Leonard to be captain, for distinguished gallantry in action at Malimta, Luzon, March 26, 1899."

Lieutenant Leonard is widely known in Fort Wayne and is the son of Dr. Leonard, a pioneer homeopathic physician of this city. Mr. Leonard was reared in this city, educated here and studied law under the direction of Fort Wayne attorneys. He became stenographer of the Whitley and Noble county courts and of nearly four years. He entered the service in July, 1898, and was commissioned a second lieutenant in the Twenty-second infantry. He was first sent to Fort McPherson to drill recruits for the Second infantry, while his own regiment was in Cuba. He joined his regiment at Camp Wyckoff, N. Y., on its return from the Cuban campaign, and in September of the same year was sent to Fort Cloud, Neb.

In January, 1899, Lieutenant Leonard started with his regiment later, until the outbreak of the Spanish-American war, was engaged in the practice of law in this city with Hon. T. E. Ellison.

FOUR YEARS' SERVICE.

Lieutenant Leonard's military service has already extended over a period



LIEUT. IVERS W. LEONARD.

Who Returns Tomorrow From Long Service in the Philippines.

for the Philippines, sailing February 1 from San Francisco. During the following year he was promoted to a first lieutenancy in the regular army, which commission he still holds. He reached the Philippines in time to participate in the campaign in northern Luzon under General Wheaton and General Lawton, and a year later went north under General Wheaton and General Young in the attempt to capture Aguinaldo. Later the regiment was stationed at San Luis, and Lieutenant Leonard, with his company, I, was stationed at San Antonio, a small town, where the lieutenant was in command of the village. Here he established schools, laid out streets and constructed sewers.

After eighteen months here Lieutenant Leonard was moved about, taking the places of officers whose term of service had expired. In June and July last Lieutenant Leonard was ill in the hospital at Manila. While at Manila he had assisted in trying a number of law cases, and his acceptable work in this capacity resulted in his appointment as acting judge advocate of the Second separate brigade (Funston's) at San Fernando, and he remained in this capacity last fall until orders were received for him to return. He reached San Francisco on the transport Hancock a few weeks ago.

MAY FOUND A JESUIT COLLEGE.

Atlanta, Ga., April 4.—A special to the Constitution from Tampa, Fla., says:

Negotiations are in progress by which the Tampa Bay hotel, which was built by the late Henry Plant, at a cost of $1,000,000, together with extensive grounds and annex buildings, may be converted into a Jesuit college. Mrs. Plant, widow of the deceased millionaire, has proposed to Morton F. Plant, Mr. Plant's son by his first wife, that if he will donate his interest in the property to the Catholic church, she will do likewise and will also endow the college with $1,000,000. Morton Plant, under the division of the estate, owns a large portion of the hotel property and his consent will be necessary to carry out Mrs. Plant's plan.

AT POLICE HEADQUARTERS

There was no police court this morning.

A Miss Cunningham, of Lagrange, reported that she had lost a pocketbook containing $20. She is of the opinion that she lost it on a Grand Rapids train while coming to this city.

The report of the reformed school for boys, at Plainfield, shows that Allen county last year sent five cases to the institution and since the school was established 177 cases have been received from here. Last year Marion county sent 54; Vanderburg, 13 and Vigo, 8.

French gray has practically been decided upon as the most serviceable and most invisible color for the war paint to be used on vessels in the English navy.

Pewter making, one of England's important industries seventy years ago, has almost been abandoned. Cheap glassware and tinware have driven pewter from the market.

GREAT DISASTER

OVERWHELMS REBEL ARMIES IN COLOMBIA.

GOVERNMENT WINS VICTORY

INSURGENT FORCES ARE COMPLETELY DESTROYED.

MAY END THE INSURRECTION

GREAT REJOICING IN PANAMA OVER THE VICTORIES.

Panama, Colombia, April 4.—This city was the scene of wild enthusiasm on the part of the conservatives last night, when Governor Salazar made public the contents of the following dispatch received from President Marroquin:

"Bogota: Gen. Gonzales Valencia has defeated and completely destroyed the armies of Gans, Focion Soto and Juan McAllister. General Uribe-Uribe, who invaded Colombian territory via Medina, in the department of Boyaca, was also defeated by Gen. Nicolas Pardamo."

Governor Salazar informed the correspondent of the Associated Press that both victories were of great importance, because they meant, practically, the end of the revolution, leaving only the isthmus to be pacified.

The governor has received advices from Cauca, announcing the approaching departure of 5,000 men from that department, to begin operations against the liberal general, Herrera, who will be attacked by 10,000 government soldiers. Should Herrera attack Panama, the governor said that the liberals would lose every man that they had, because the entrenchments of Panama were the strongest ever built here, and could not be stormed except by a very numerous army, which the liberals do not possess.

NEWS IS CONFIRMED.

Washington, D. C., April 4.—Senor Concha, the Colombian minister, has received a cablegram from President Marroquin, of Colombia, confirming the press dispatches from Panama of the victories of Generals Valencia and Pardamo over the insurgents. It is believed at the legation here that this will end the insurrection in Colombia.

CHARGES MADE BY DR. HORNE

SUSTAINED BY FORMER GUARD IN PENITENTIARY.

August Tabbat Declares Statements Made by Horne Are True—What Durbin Says.

Indianapolis, Ind., April 4.—The Sentinel this morning prints the following special from Michigan City:

Revelations of the most brutal character continue to be made as to the alleged treatment of prisoners in the state penitentiary here by Deputy Warden Barnard, his subordinates and employes of the convict labor contractors. So shocking have the revelations become that Prison Trustee Kimbrough has left the city. Trustee Nebeker has not returned and Warden Reid and Deputy Warden Barnard have closed the prison to reporters and the general public and refuse categorically to reply to the charges made by the late prison physician, Dr. Borse S. Horne.

FOR FULL INVESTIGATION.

Governor Durbin, who, it is asserted, has been deceived in the matter, refuses to act on the charges on the ground that he cannot see that it is "any business of mine to interfere with the action of the board." He says it is not his affair.

But the state board of charities is preparing to act, as is the State Federation of Labor, and there will be a full investigation of the charges by Dr. Horne, charges which he reiterates today that he can prove if the fear of intimidation is removed from the convict witnesses.

Ex-Guard August Tabbat, formerly in charge of cooperage shop No. 3 in the prison, and now a well-to-do real estate dealer of this city, added his testimony to that of Dr. Horne today in this statement:

DR. HORNE IS SUSTAINED.

"I have served in the prison as a guard, and I know the brutality constantly manifested by Deputy Warden Barnard. Every allegation made by Dr. Horne is true. While I was in the prison one of the convicts, a preacher's son, committed some trivial offense and was jerked into the punishment cell. Barnard was then cipline. Mr. Nebeker said he would to the floor, his pantaloons taken down, and then beat him on his bare flesh until his arm was so tired he could not move it any longer.

"Barnard misrepresents to everyone in authority above him. He deceived ex-Warden Harley grossly in regard to pursuing prisoners who had escaped. He deceived ex-Warden Shideler, and he had deceived Congressman Landis and Trustee Nebeker, who have been his sponsors.

PUBLIC IS IN THE DARK.

"He has shut up the prison and prevented the public from knowing what is going on there. He has the governor hypnotized and things are likely to go on this way until some awful tragedy comes which will force the powers that be to drive him out in shame. Speaking as a former guard in the prison, I never knew a man so unfit for the position of deputy warden or to control prisoners as this man Barnard."

Michigan City is not surprised over the revelations which promise to be more sensational still when the state authorities act. Deputy Warden Barnard is censured from one end of the town to the other by citizens who know the facts. Dr. Horne says:

TRIES TO END DISCUSSION.

a guard. He had the convict thrown the board and presented my charges, said the board could not have a long trial, and that they did not feel that they could let prisoners testify. The board said I was foolish to try the case, as I was on the outside and officers could defeat me by making the prisoners testify as they (the officers) wanted them to. They also said they would be forced to stand by the warden and deputy on account of dis-

"Mr. Nebeker, when I met with stand by the warden, right or wrong.

"In the near future I shall put in print under my own signature some facts that the people will not doubt. There has been a gang of conspirators in the Indiana state prison for years. Several of the guards are ex-bartenders and men who are mercenary and care only for the salary they receive. I am on the side of the truth.

OTHERS HAVE FILED CHARGES.

"It is useless for Governor Durbin to say he knows nothing of these charges. Charges as bad as I have made were filed with him last year by Chaplain Henderson and then Prison Trustee Uriah Culbert. To save Barnard at that time Warden Shideler resigned and the charges were hushed up, but the governor had them just the same. Chaplain Henderson was locked out of the prison by Barnard and did not get back until Governor Durbin interfered."

NO CUBAN MINISTER NAMED.

Washington, April 4.—It was expected that after the cabinet meeting today an announcement would be made of the selection of the first minister to Cuba, but it is now stated that the president has not been able to reach a final choice as between the numerous applicants. Influential New York people are very strongly pressing the appointment of H. G. Squires, who is now in this country on a leave of absence from the American ministry at Pekin, where he is secretary and charge. Mr. Squires also is said to be personally well known to and well thought of by the president, so that his chances are regarded as bright.

FIGHT FOR BIG ESTATE.

Flint, Mich., April 4.—Jas. C. Decker and Mrs. George L. Crawford, of this city, are preparing powers of attorney and other papers to be used in a contest for part of the estate of Absalom Case, one of the pioneers of Cleveland, Ohio, who obtained four hundred acres of land in the heart of Cleveland from the Indians. Its present value is said to be $80,000,000. On account of their direct descent from Absalom Case, Decker and his sisters and nephews claim one-ninth of the total estate. It is said there are 100 claimants to the property.

CHOLERA IN MANILA.

Manila, April 4.—Two cases of cholera have occurred in the Bulibid prison. Consequently, all the prisoners there have been discharged and will be taken to a detention camp, which will be quarantined. The total number of cases of cholera reported here up to noon today was 140, and there have been 115 deaths from the disease. In the provinces thirty-two cases of cholera and nineteen deaths from that cause have occurred.

RAILWAY MORTGAGE FILED.

Youngstown, Ohio, April 4.—A mortgage for $75,000,000 was filed for record in the county recorder's office today. The instrument, which consists of ninety-five closely printed pages, is given by the Baltimore and Ohio railroad company to the Union Trust company, of New York, trustee, to cover an issue of gold bonds of the above named amount.

LOCAL LINES.

B. S. O'Connor returned today from Chicago.

Mrs. Charles F. Pfeiffer has recovered sufficiently to be able to sit up.

Louis Heilbroner, manager of the St. Louis base ball team, arrived in the city morning for a few days' visit with his family. He will go from here to St. Louis to prepare for the opening of the season, which commences April 17.

London's first library for the blind has been opened at Stepney.

DEATHS AND FUNERALS.

FUNERAL ANNOUNCEMENTS.

Falk.—Funeral services of Leopold Falk will be held from the residence, Berry street and Broadway, Sunday morning, at 10 o'clock. A more detailed announcement will appear tomorrow.

Sunderland.—The remains of Mrs. Joseph Sunderland, whose funeral is to be held at Wallen Saturday morning, will reach Lindenwood cemetery about 1:30 o'clock on Saturday, and friends will be permitted to view the remains at that time.

Screen.—Funeral services of Mrs. Patience Screen will be held from the residence, 7 Wheeler street, Saturday afternoon, at 3 o'clock.

Brudi.—Funeral services of Gottlieb Brudi will be held Sunday afternoon at 1:30 from the residence, in Adams township, and at 2:30 from Concordia Lutheran church.

MURDER AND SUICIDE.

Toledo, Ohio, April 4.—Harry Preston, a plumber, this morning shot his wife in the head, killing her instantly, then shot himself three times. The shots took effect in his abdomen and he died a few minutes later. Preston was under the influence of liquor, but otherwise no cause is given for the deed. He is fifty-seven years old and his wife forty-seven.

A CANDIDATE DYING.

Grand Rapids, Mich., April 4.—Arthur Rood, republican candidate for mayor of this city, who was taken ill with typhoid fever shortly after his nomination, some weeks ago, is dying at Butterworth hospital. His physicians do not expect him to survive the night. Next Monday is election day.

LECTURE ON TEMPERANCE.

Rev. J. Howard, of Liberty, Ind., will deliver an address at the South Congregational church Sunday evening. His theme is "Temperance; or Character Building."

PROF. CUSHMAN DEAD.

Jacksonville, Fla., April 4.—Prof. M. W. Cushman, of Indiana, the author of several books on the treatment of stock, dropped dead here last night.

MARRIAGE LICENSES.

Wayne Templar and Pearl Hatfield.

PROFESSIONAL FLAT HUNTER.

One young woman has been making money lately. That isn't surprising. Many other young women are doing the same thing. But this particular girl never made money before, and the process she is now adopting is, as she herself says laughingly, a pudding of her own invention.

She is a flat hunter. The town abounds in amateur flat hunters. Any woman whose income is not beyond reproach can tell a tale of woe concerning the quest of the ideal apartment. But a professional hunter of flats is quite another thing.

That anyone should choose so arduous a profession when other work and other light jobs are going begging may impress the woman who has hunted flats in a dilettante way as peculiar, but, to tell the truth, the heroine of this story likes the work.

She herself has long been a dweller in flats. In the efforts to find for $35 a month all the joys of paradise, with a few mundane comforts thrown in, she and a younger sister tramped weary miles, climbed innumerable stairs and boarded countless janitors in their dens. The experience gave her the idea. Now she has a profitable business hunting flats for persons who wish to avoid the trouble. She selects two or three that seem to answer the requirements of her client and generally succeeds in giving satisfaction.—Chicago Chronicle.

CARE OF THE FACE.

Never, under any circumstances, use hard water for washing the face. Distilled water is best, and next to this comes pure, clean rain water. If neither of these can be obtained, the hard water must be softened by artificial means. The face should not be washed more often than twice a day—in the morning and just before retiring. Soap should be used at least once a day, but in cases where the skin is hypersensitive the use of soap, even of the mildest kind, causes irritation; it may be cleansed by gently rubbing in a little cold cream and washing afterward with oatmeal water, made by pouring a pint of boiling water over a dessertspoonful of fine oatmeal tied in a piece of muslin. Allow the water to become lukewarm before using, occasionally squeezing the muslin bag during the cooling process.

Rough towels, vigorous rubbing of the face, and, indeed, all rough friction should be avoided. A little good toilet cream should be applied after drying. Take a very little on the tips of the fingers and rub gently until the skin has absorbed the cream, then wipe the face with a soft handkerchief or towel and finally dust rice powder over the surface. It is quite a mistake to imagine that powder is injurious to the skin. The dust which accumulates on the face when traveling, or even when a day is spent in crowded stores, is far more injurious to the delicate skin than a good face powder. If, however, there is an objection to the powder a clean piece of chamois should be carried in one's purse to rub lightly over the face when it is required.

"LIFTING THE KING."

One of the picturesque English coronation ceremonies which have been discontinued is that of lifting the king. In the old days the monarch always slept at the palace of Westminster on the night before the coronation. The regalia, which are still, technically speaking, in the dean and chapter of Westminster, were brought to them to Westminster hall in preparation for the ceremony. These were arranged on a long table, the crown, the scepter, the spurs, and so on. The king, when he descended from the palace to Westminster hall, was lifted by his nobles on to a marble chair, by the way, which perished in the ruins of the houses of parliament when they were burned sixty of seventy years ago.

The lifting of the king into the chair was a survival of the old Saxon custom of carrying the king on his shield. The custom survived up to the time of the coronation of George IV. When the monarch was seated in the chair he at once directed by pointing his finger which of his nobles should carry the various parts of the regalia to the abbey, and the procession began.—London Tatler.

Tomorrow

Do you know what is going to be done tomorrow?

That charming young lady, Marguerite Dummyface, with whom "Jim" fell so much in love, is still in Meyer Bros. & Co.'s window and still scatters her bewitching smiles on the old and young. She proclaims to each and everyone the merits of that wonderful little instrument, the National Vaporizer. It has the power of sending the vapor it produces up into the head, into every little air passage, even to the inner ear, to the throat and down to the lungs themselves, leaving an antiseptic oily coating on the diseased parts. We all know that catarrh is not a disease of the blood, but an inflamed, congested condition of the mucous membrane which lines the air passages in the head, and in order to treat catarrh we must have a local application, just the same as a burned hand would have a local treatment, for you would not put anything in the blood. The same principle exists in treating catarrh. Our medicine and instrument do all we claim and give instant relief. Ask those who have used it; they will tell you.

Tomorrow we are going to give away 25c bottles of medicine.

If you are a catarrh sufferer, don't wait, and if your little children have it, don't wait for them to outgrow it, for it is sure to develop into chronic catarrh. Every disease of the head, throat and lungs we treat. Our free book explains everything.

Remember, TOMORROW we give away 25c bottles of medicine and free treatments.

Another big shipment of Granite Enamel Ware, just received, at

THE PEOPLE'S STORE.

$10 given away each week by

PATTERSON.

PACIFIC COAST RATES GREATLY REDUCED VIA WABASH R. R.

Beginning March 1st, and continuing daily up to and including April 30, 1902, the WABASH will sell ONE WAY tickets to the following points at rates given. Fine through fast trains daily to Kansas City, connecting in Union Station with all the great overland trains for western and northwestern points. Free Chair Cars to through passengers. The only line east of Chicago and St. Louis offering such superb service.

Read the schedule of LOW RATES that follows, viz.:

From Fort Wayne to—

Billings, Montana, $29.00.
Livingston, Montana, $32.00.
Ogden and Salt Lake, Utah, $34.00.
Helena and Butte, Montana, $34.00
Spokane, Washington, $34.50.
Portland and Ashland, Ore., $37.
Seattle and Tacoma, Wash., $37.00.
Victoria, B. C., $37.00.
San Francisco, Sacramento, Los Angeles and San Diego, Cal., $37.

For time of trains and general information apply to Wabash Ticket Office.

R. G. THOMPSON,

SEIDEL BROS.,

716 Calhoun St. Hatters.

THE MARKETS.

Chicago, April 4.—Fair weather and bullish crop reports induced an easier tone in grains at the opening today. Cables were slightly lower and Argentine shipments were liberal. May wheat started ½c to ⅝c lower at 70⅞c to 71c. There was a fair early trade, however, and the market showed no weakness at the early decline. Commission houses bought some and scalpers sold. Cash people were disappointed over the absence of business at last night's decline, but there was some hope of better business before April 14, when the advance of 2½ a 100-weight in the lake and rail freight export charges goes into effect. May was not offered freely and gradually worked up to 71⅛@71⅜c. Local receipts were 21 cars, none of contract grade. Minneapolis and Duluth reported 216 cars, making a total for the three points of 237. There were no corresponding figures for last week and a year ago, those days having been holidays. Argentine shipments were 1,136,000 bushels, compared to 1,224,000 bushels last week. The English visible supply decreased 1,833,000 bushels.

On buying of 2,000,000 bushels of May wheat by prominent bulls May advanced to 71⅛c. Crop reports, however, continued to come in bearish. Ohio's state report indicated a condition of 74 as against 62 last month. These advices were taken as confirmation of the bearish report that depressed prices late yesterday. May sold off to 70⅜c and closed easy ⅛c lower at 70⅝c.

Trade in corn hung fire for some time after the opening. Cables were slightly lower, but receipts were very light. There was hope of an increased export business, but the crowd seemed to be awaiting developments. May opened a shade to ⅛c lower at 59⅜c to 59⅛@59⅜c and worked to 59⅞c. Receipts were only 63 cars.

Corn trade continued dul and week the latter part of the session. Wheat declining, pressed upon corn somewhat and May corn slumped to 58⅛c. The close was weak, May ⅜@⅝c off, at 58¾c.

Oats opened steady and showed no material early change. The cash situation was fair and there was a small covering demand in May options. July was a trifle easy. Trade was very slow and fluctuations were narrow. May opened unchanged at 42⅝c and advanced to 43c. Receipts were 78 cars.

An easy hog market induced lower prices in provisions early in the session, but there was some support and prices advanced slightly. Lard also showed a firmer tone than yesterday. May pork opened 5c lower to unchanged at $16.40 to $16.45 and sold to $16.47½; May lard unchanged at $9.00 and gained 2½c, and May ribs 5½c lower to unchanged at $8.85 to $8.87½ and sold at $8.87½@8.90.

THE CLOSE.

Prices at the close were as follows:

Wheat—April, 70¼c; May, 70⅞c; July, 71⅝c; Sept., 71¼@71⅝c; Dec., 72⅝c.

Corn—April, 58¼c; May, 59⅛c; July, 59¼@59⅜c; Sept., 59@59½c; Dec., 49c.

Oats—April, 42¼c; May, 42⅝c; July, 33⅞c; Dec., 29¼@29⅜c.

Pork — April, $16.30; May, $16.37½@16.40; July, $16.55.

Lard—April, $9.55; May, $9.57½; July, $9.67½; Sept., $9.77½.

Ribs—April, $8.85; May, $8.87½; July, $8.97½; Sept., $9.05.

Flax—Cash N. W., $1.75; S. W., $1.69; May, $1.72.

Rye—April, 54½c; May, 54½c; July, 55½c.

Barley—Cash, 61@66½c.

Timothy—April, $7.10.

Clover—Cash, $3.00.

BUTTER, CHEESE AND EGGS.

Chicago, April 4.—Butter—Market firm; creameries, 20@23c; dairies, 20@25c.

Cheese—Market steady; twins, 12c; Jaisies, 13½c; young Americas, 13c.

Eggs—Market steady, 14½c.

CHICAGO LIVE STOCK.

Chicago, April 4.—Cattle—Receipts, 2,000; market steady to weak. Good to prime steers, $6.60@7.00; poor to medium, $4.50@6.50; stockers and feeders, $2.50@5.00; cows, $1.25@5.50; heifers, $2.50@6.15; canners, $1.25@2.40; bulls, $2.50@5.75; calves, $2.50@6.25; Texas fed steers, $5.00@6.00.

Hogs—Receipts today, 18,000; tomorrow, 15,000; left over, 10,210; market 5c lower. Mixed and butchers, $6.50@6.67½; good to choice heavy, $6.80@6.95; rough heavy, $6.50@6.75; light, $6.40@6.50; bulk of sales, $6.65@6.80.

Sheep—Receipts, 5,000; market steady; lambs steady. Good to choice wethers, $5.25@5.90; fair to choice mixed, $4.50@5.35; native lambs, $4.50@6.85.

THE TOLEDO MARKETS.

Toledo, O., April 4.—Wheat—Market dull, easier; cash, 76⅞c; May, 78¾c; July, 73¼c.

Corn—Market dull, weak; cash, 57½c; May, 59½c; July, 60½c.

Oats—Market dull, weak; cash, 43c; May, 43c; July, 34½c.

Clover—Market dull, firm; cash, $5.00; April, $5.00; Oct., $5.07½. No. 2, $4.40@4.75.

Oil—North Lima, 35c; South Lima and Indiana, 30c.

EAST BUFFALO MARKETS.

East Buffalo, N. Y., April 4.—Cattle—Receipts, 100 head; market steady; veals, tops, $7.25@7.75.

Hogs—Receipts, 5,800 head; market active, 5@10c higher; heavy, $7.00@7.05; mixed, $6.90@7.00; pigs, $6.40@6.55; roughs, $6.25@6.50; stags, $4.25@4.75, closing steady.

Sheep and lambs—Receipts, 12,000 head; market opened active, closing higher; top lambs, $6.90@7.00; fair to good, $6.65@6.75; common, $5.50@6.50; yearlings, $6.15@6.35; sheep, tops, mixed, $5.75@5.85; fair to good, $5.40@5.65; culls and common, $3.50@4.70.

THE DAY ON WALL STREET.

New York, April 4.—There were heavy purchases of the grangers and Pacifics and of Louisville in the opening dealings and sharp fractional gains were frequent throughout the list. A sale of 5,000 shares of St. Paul was made at 169⅝ to 169¾, compared with 169½ last night, and the price wavered on subsequent transactions. Louisville advanced nearly a point on running sales of 3,500 shares and Union Pacific was up ½ on the transfer of a similar lot. St. Louis and San Francisco rose 1⅜ and Columbus and Hocking Coal over a point.

There was heavy realizing on the advance with resultant sharp reactions in leading stocks. St. Paul dropped a point under yesterday's close and Colorado Fuel 2. Reactions from the highest reached a point or more in Sugar, North American, Hocking Coal, New York, Chicago and St. Louis second preferred, Hocking Valley and St. Louis and San Francisco. The two last mentioned had made gains of 1½ and 2 respectively. A few stocks were lifted despite the general tendency, American Telephone and Telegraph advancing 3½ and Minneapolis, St. Paul and Sault Ste Marie, Anaconda, Car preferred, Railway Steel Spring preferred, Pacific Mail and Cotton Oil to 1½. Northwestern preferred opened down 6 points, but the common was steady. Near 11 o'clock St. Paul and Colorado Fuel rallied strongly. Colorado Southern second preferred rose 2 and Union Pacific made a point gain. The market became firmer all around but less active.

Railroad stocks made a general rally under the lead of St. Paul, the Pacifics and Southwesterns. St. Paul reached 170¾ on enormous transactions. The high prices of the morning were made in these stocks, the gains in the southwestern group running to 1¾. Colorado Fuel retrieved all of its loss and there was strength in Amalgamated, People's Gas, General Electric, Colorado and Southern and Pittsburg, C., C. & St. Louis, which advanced between 1 and 2 points. Sugar and the United States Steel stocks were heavy. Northwestern lost 2 and recovered it and the preferred rallied 2½.

Bonds were firm with the speculative issues in demand.

THE MONEY MARKET.

New York, April 4.—Money on call steady at 3½ per cent; prime mercantile paper, 4½@5 per cent; sterling exchange steady with actual business in bankers' bills at $4.87⅞@4.88 for demand and $4.85⅜@4.85½ for 60 days; posted rates, $4.86 and $4.88½; commercial bills, $4.84½@4.85¾; bar silver, 54c; Mexican dollars, 43c.

FORT WAYNE MARKETS.

Ft. Wayne, April 4.—Flour—Spring wheat, $4.00@4.25; winter, bbl, $3.75@4.25; Graham, $1.75 per cwt.; buckwheat, $2.65 per cwt.; corn meal, bolted, $1.50 per cwt.; corn meal, unbolted, $1.50 per cwt.

Wheat—72c bu.

Oats—43@44c bu.

Corn—60@62c bu.

Linden Quartet Concert tonight, 25c, Wayne street M. E. church.

A TRAIN HELD UP

BANDITS STOP BURLINGTON EXPRESS.

SCENE NEAR ST. JOSEPH, MO.

ROBBERS FAIL TO MAKE A RICH HAUL.

BUT FOUR MEN IN THE GANG

ATTEMPT TO SHOOT CONDUCTOR A FAILURE.

St. Joseph, Mo., April 4.—Passenger train No. 13 on the Burlington road, which left St. Joseph for Denver at 11:40 o'clock last night, was held up three miles north of the city limits by four masked men. Railroad authorities assert that the robbers didn't get anything, although on this point conflicting reports are in circulation today. The attempted robbery occurred fifteen minutes after the train had pulled out of the Francis street station in this city. The scene is very near the place where, on the night of Sept. 24, 1899, four young men of this city made a futile attempt to rob a Burlington train, two of the party being shot down. On that occasion the railroad authorities under the leadership of W. C. Brown, then general manager of the Burlington's Missouri line, ran a dummy train loaded with policemen and deputy sheriffs and the robbers were taken by surprise, their plans having been tipped off by a treacherous confederate.

In the attempted robbery of last night no violence was offered to the train men and after holding the train thirty-five minutes it was allowed to proceed.

Conductor Cox and Engineer Kust, in charge of the train, ran from the scene of the hold-up to Napier, the next stop and from there reported to the officials in this city. A dozen detectives were at once dispatched, but thus far no tangible clew has been found.

Ten shots were fired at Conductor Cox and Brakeman Gaut, but none took effect.

FAILED TO CUT OFF CAR.

St. Louis, Mo., April 4.—A telegram was received today at the headquarters of the Burlington route in this city from the St. Joseph officials of the system to the effect that in the hold-up of Burlington train No. 13 last night the four masked men compelled the engineer and fireman to attempt to cut off the baggage car. The attempt to uncouple the baggage car was unsuccessful, thereupon the baggageman was ordered to open the door. This was done. The interior of the car was looked over, no valuables of any description were discovered, whereupon the engineer was ordered to go on with his train. There was no violence. No passengers were disturbed and no railroad or express property was taken.

DECISION IS A COMPROMISE

RULING IN CHICAGO CORPORATION TAX CASES.

Assessments Held to Be Too High, but Payment Must Be Made Before Relief Is Possible.

Chicago, April 4.—The decision of Judges Grosscup and Humphrey, of the federal circuit and district courts respectively, in the injunction cases brought by seven Chicago public utility corporations to prevent the collection of taxes assessed as a result of mandamus proceedings in the state courts some time ago, was read from the bench by Judge Grosscup today. It is in the nature of a compromise. The court finds that the reassessment was from 30 to 40 per cent too high on the stocks of the companies affected, but declines to enjoin the various officials from collecting this extra money till the corporations shall have paid in the 60 or 70 per cent which the court regards as just. By this ruling the corporations will have to pay about $9,000,000 in taxes before injunction is issued. The court appointed masters to determine the exact amounts which should be collected.

The injunction was asked for by the following corporations: The Union Traction Co., the Consolidated Traction Co., the South Chicago City Railway, the Chicago City Railway Co., the Chicago Edison Co., the People's Gas, Light and Coke Co., the Chicago Telephone Co.

The court holds that the taxing bodies erred in taking the stock market value of stocks for a taxing basis, holding that the market values are largely fictitious. The following is laid down by the court as the proper determination of the reassessment for the year 1900:

"The basis shall be the net earnings of the several complainants for the year ending April 1, 1900, proper allowance being made for depreciation and replacement, but not for extension, and reduced further by the additional taxes that the enforcement of this rule produces. Upon this basis the value of complainants' capital stock, including franchises and tangible property shall be capitalized upon a ratio or 6 per cent; this equalized by a reduction of 30 per cent and when divided by 5. Upon this capitalization the tax shall be extended at the true rate for 1900, exclusive of interest and penalties, not to exceed 8 37-1000 per cent from which shall be subtracted the taxes already paid and the balance will be the sum allowed."

The enforcement of this rule cuts the original reassessment something over $2,000,000.

The reassessment of the corporations followed the campaign waged by the teachers' federation of Chicago, the teachers claiming that the corporations were escaping just taxation. A writ of mandamus issued by the circuit court compelling the state board of equalization to make a new assessment for 1900 which would include the value of franchises and capital stock was sustained by the supreme court of the state. The federal court assumed jurisdiction in the injunction cases on the ground that otherwise the corporations would be unjustly deprived of their property.

PHYSICIANS' ENORMOUS FEES.

In the medical world some enormous fees have been paid from time to time. In 1762 the famous Hartfordshire physician, Thomas Dimsdale, was summoned to St. Petersburg to vaccinate the Empress Catharine II. He was in the city less than a week, but so successfully did he accomplish his task that he was paid a consideration of £12,000, in addition to a life pension of £500 a year. Another costly vaccination operation was that performed a few years ago by Dr. Butler upon six Indian rajahs, and from each of his patients he received £10,000 for less than a day's work.

When King Edward or the prince of Wales, as he was then, lay at death's door with typhoid fever, the famous William Jenner was called in for a period of four weeks, and in return he was paid at the rate of £2,500 a week and given a baronetcy in the bargain. Nor was it by any means unusual for him to receive a fee of £300 for an hour's consultation.

But royalty invariably pays their medical attendants highly. The late Sir Morell Mackenzie journeyed to Berlin to relieve the sufferings of the Emperor Frederick during his illness and secured a fee of £20,000, while Prof. Zacherine, of Moscow, who was called to Livadia when the Czar Alexander lay dying, was presented with a check for £15,000, in addition to all expenses, for two days' attendance upon his illustrious patient.

Dr. Yowski, the famous occulist, pocketed a fee of £7,000 for attending the shah's son at Teheran a few years ago, a figure completely put into the shade by that captured by an English army surgeon, who paid occasional visits to the rajah of Rampur, India, when that potentate was suffering from an acute attack of rheumatism. The patient did not wait for him to send in his bill, for finding his treatment beneficial, he rewarded him with a draft for £10,000.

The highest medical fee ever paid, however, became the property of a blind physician, Dr. Gale, of Bristol, who cured a wealthy patient of a diseased knee by electric treatment, and in return found his banking account richer by £50,000.

SAD FATE OF HINDU GIRLS.

A Capuchin monk engaged in missionary work in Nepaul, writing of Hindu family life, remarks that it is very difficult for parents to make advantageous matches for their daughters. The Hindus, therefore, find a means of ridding themselves of too many daughters by murdering them. It is a well known fact that Hindus of high birth, says the Pall Mall Gazette, those who are called Rajputs, caused their daughters to be put to death immediately after birth by men specially engaged to do so. This criminal custom had become so universal that in 1840 in the seventy-three villages of the Allahabad district there were only three girls under twelve years of age, and three years later in the town of Agra there was not one to be found under that age. All had been put to death.

The English government has very naturally passed very severe laws against this abominable crime, but to evade them the Hindus allow their girls to live until the age of twelve, after which they do away with them by administering poison in small doses. Orientals are past masters in the art of poisoning, and after some minute inquiries it transpires that in many districts twenty-five out of every one hundred girls have been got rid of in this manner. Those girls who have been spared they marry very early, generally between fourteen and fifteen years, and that not according to their own choice, but by the will of their parents, which is decisive. An Indian family of good rank could not keep an unmarried daughter. It would not only have been a public shame, but also a crime against religion. To procure husbands for those who have not already found them, there are a number of Brahmins, old and decrepit, called Kulin Brahmins, who go about with the one object of going through the ceremony of the "seven steps" with as many young girls as they can upon receipt of a large sum of money, but afterward to leave the country and perhaps never see them again.

BEAUTY BATHS AT HOME.

A beauty bath indulged in by the patrons of a certain bathing and beauty establishment is so luxurious that it "comes high," but one can take it at home with a little trouble. First comes a hot, soapy scrub, followed by a shower of clear, warm water and a sponging with cooler water and violet cologne. The drying is accomplished by lying in hot blankets for fifteen minutes. The bather is then massaged with cold cream—not much cream, but enough to make her feel as soft and sleek and strong as a goddess of beauty.—New York Commercial Advertiser.

MOTIVES OF MISERS.

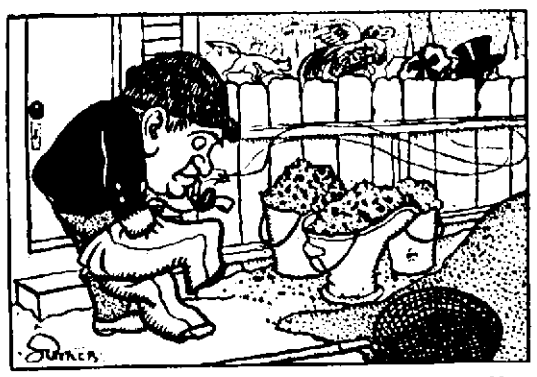
The case of a man who died from personal privation with 2,000 hoarded pounds within reach of his skeleton fingers, inspires a moralizing mood concerning the motives of misers. The one that strikes us as reaching the nearest to the truth is the hypothesis of fear—fear of extreme poverty, to avoid which at some indefinite future time the miser faces all its consequences in the present. The gibe of the old laborer, who said to his master: "I be a braver man than you be, for I durs' spend my last farden, and you dursent," is quoted as affording the best hint of the real truth. When once the mind conceives the idea of possible poverty, there is scarcely anything it will not do to avert the horrible contingency. Men in battle, as our contemporary reminds us, have been known to shoot themselves to the dread fear of being shot by the advancing enemy. Fear in money matters, as in all other, paralyses the judgment and shakes the reason. Misers are probably in all other respects the purest and most moral of men; they are at any rate as rigorous in their asceticism as monk and friar. But such is the force of this vice that it destroys by its own strong arm all the higher emotions and aspirations of humanity, leaving its victim a miserable and negative creature, beneath the contempt of his weaker brethren.—London Globe.

WHAT HAPPENED ON EASTER.

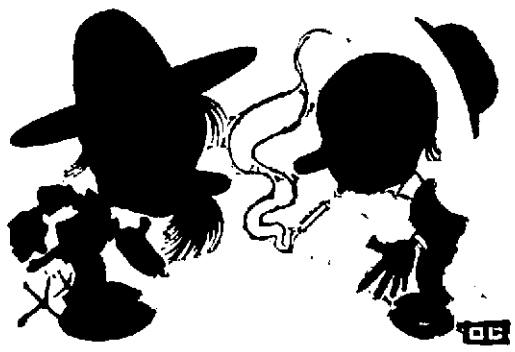
Daughter shows popper her new $45.50 gown.

Little Willie and Maggie show p a their new suits.

Mommer exhibits her new $93.00 bonnet and son Cholly his new $55 frock coat.



And then they all parade to church and Dad puts on his 30 cent overalls and goes out in the back yard and sifts ashes.



TO BE SURE.

Tenderfoot—Is there anything cheap in this town?
Alkali Ike—Oh! yes.
Tenderfoot—What is it?
Alkali Ike—Advice.

See the new boys' caps at PATTERSON'S.

A parliamentary return lately issued states that there are 1,305 miles of street tramway open for traffic in the united kingdom. The total capital authorized is £41,877,040, and the total of passengers carried last year was 1,198,226,758.

Mrs. C. F. Rentschler has returned from Manchester, where she was called to attend the funeral of her sister.

The Howard-Dorset Co.

Popular Prices.

MASONIC TEMPLE.

MONDAY EVENING APRIL 11TH.

The Pittsburg Orchestra.

VICTOR HERBERT, Conductor.

Brilliant and Popular Programme. Soloists—Henri Merck, 'Cello, and Miss Anna Bussert, Soprano.

Box office now open. All tickets ordered by subscription can now be secured.

NOTE—The generous manner in which the public have responded to subscriptions, thereby enabling the management to meet all expenses, and in order to popularize these concerts, we have adopted the following scale of prices. $1.00, 75c and 50c. All those who have purchased seats at $1.50 will have the difference refunded at the box office.

(Signed) F. E. STOUDER. F. X. MOHR.

Assembly Room Court House Friday Evening, April 4.

The Allen County Homoeopathic Medical Society take pleasure in announcing that they will hold their first annual reception and assembly at the above address, and the general public are cordially invited to attend. The address of the evening will be by the distinguished Physician, Editor and Lecturer, W. A. Dewey, A. M., M. D., of the University of Michigan. His subjects:

"What is Homeopathy?"

AND

"Preventive Medicine."

Dr. Dewey has an international reputation as a charmingly instructive as well as entertaining lecturer. All are invited. No charge for admission. MUSIC BY ALEXANDER'S ORCHESTRA.

SHOP AND RAIL

ROME CITY SUNDAY TRAIN GOES ON APRIL 13.

TWO SERIOUS ACCIDENTS

"JACK" BAILLIE'S ARM CUT—CONRAD HAS ARM BROKEN.

SOLD GOLD TREATING PLANT

DEAL INCLUDES BOILER, ENGINE AND HICKS MILL.

One week from next Sunday, April 13, the Grand Rapids and Indiana company will inaugurate the Rome City excursion train service. The train will leave this city at 6 o'clock in the morning, and returning, leave Rome City at 7 o'clock in the evening. The usual price, fifty cents for the round trip, will prevail. This will be glad news for the fishermen.

WILL RETURN TO GARRETT.

W. Kibble, a car builder, who has been employed at the east car shops for some months, resigned his position yesterday. He will return to Garrett, his former home, and re-enter the employ of the Baltimore and Ohio company.

CHANGES AT ROUNDHOUSE.

Daniel Clem resigned his position at the Pittsburg roundhouse this morning. Bert Lewis and C. P. Poiry have taken positions at the roundhouse. J. H. Harshman, a section man, has been transferred to the roundhouse.

SOLD A HICKS PLANT.

Attorneys O. P. Eversole, of this city, and W. A. Mougey, of Ohio, representing the New Mexico Gold Ore Treating company, yesterday placed an order with the Bass Foundry and Machine company for a complete steam and gold treating plant, Hicks system, which includes a 100-horse power Corliss engine and boiler and all the steam attachments and appurtenances. This plant is to be erected on the mining property in New Mexico owned by the Gold Ore Treating company as soon as the machinery can be built. In this deal the Bass company was represented by Mr. Horstmann, the company's master mechanic. The New Mexico Gold Ore Treating company within the next ten days or two weeks will open headquarters in this city.

DRINK DOWNED HIM.

Wabash Plain Dealer: "A Wabash man, who recently traveled over the Nickel Plate railway from Buffalo to Fort Wayne, heard that C. J. Stedwell, formerly superintendent of the Big Four road, was one of the train dispatchers of the line at Conneaut, O., and stepped off the train at that point to see him. Inquiry of the railroad people disclosed that Mr. Stedwell, instead of being in the dispatcher's office, was merely yard operator, having a little shanty up in the yards for the convenience of the yardmen in communicating with the division officials. Stedwell, since leaving the Wabash, has occupied subordinate positions on many railways. But for his one failing, the drink habit, he undoubtedly would today be at the head of the operating department of one of the great systems of the United States."

GATHERING LABOR STATISTICS.

Mrs. Harriet H. Davisson, special agent for the United States department of labor, is in the city, calling upon the various shops and gathering data for labor statistics. Her mission is to classify labor and learn what per cent. each class bears to the others. She spent a good portion of the morning at the Pittsburg shops.

WANTS THE C., L. & M.

The Ohio Central hopes to secure control of the Columbus, Lima and Milwaukee railroad in the near future and when that day arrives the property will be merged with the St. Mary's branch of the Ohio Central. The deal is being delayed by litigation being prosecuted by B. C. Faurot, of Lima, who once owned the road.

COFFIN RESIGNS.

E. H. Coffin, who has been connected with the passenger department of the Wabash railroad since February 1, 1875, latter years in the capacity of city passenger and ticket agent at St. Louis, has resigned to engage in business in that city. He is succeeded by T. F. Harrington, who has been passenger and ticket agent at Springfield since 1893. Mr. Harrington has been in the employ of the company twenty-eight years.

HERE GETTING POINTERS

E. M. Fitz, assistant superintendent of motive power of the southwestern system of the Pennsylvania, is in the city for the purpose of getting information about electric car lighting. His home is Columbus.

NEW FACTORY GOING UP.

William Nahrwald and W. E. Etzold are erecting a frame factory building on Wall street, wherein will be manufactured several articles, including a rotary washing machine and a hand corn planter, the products of Mr. Nahrwald's inventive genius. The factory will be placed in operation about the first of May, if the machinery, which has been ordered, arrives on schedule time. Both gentlemen were for many years connected with the Horton factory, in the western part of the city, Mr. Etzold as superintendent and Mr. Nahrwald as general foreman, and they are well equipped for the business they are about to engage in.

HAD AN ARM BROKEN.

George F. Conrad is confined to his home, 63 East Wayne street, with a broken arm and some body bruises. He is a passenger fireman on the Pittsburg and received his injuries by a fall from the pilot beam of engine 286, hauling train 15, at Wannatah yesterday morning, while he was attending the headlight. A Wannatah doctor attended the sufferer and he was later brought home.

IN SERVICE AGAIN.

Engines 93, 94 and 89 came down from the Stony Island shops of the Nickel Plate yesterday and will immediately go into service on the Third district. No. 93 has received general repairs and the other two, which were in the head-on collision at Briceton, required only light repairs. Crews have been assigned as follows: To 93, Engineer C. F. Merriett and Fireman W. F. Deister; to 94, Engineer Adam Glasgow and Fireman J. L. Grumsey, and to 89, Engineer Joseph Bracht and Fireman C. A. Boyce.

"JACK" BAILLIE HURT.

A most painful accident happened to John D. Baillie at the Wabash blacksmith shop at 10 o'clock this morning. While holding a "flatter" upon the iron upon which Mr. Baillie and his helper were at work, a piece of the flatter flew out from beneath the hammer the helper was wielding and in its flight it struck Mr. Baillie on the arm, cutting a gash about two inches long in the fleshy part between the elbow and wrist. The wound extended to the bone and severed some of the muscles, making the third and fourth fingers stiff. Dr. M. F. Porter dressed the wound, taking several stitches in closing it. Dr. Porter believes that the fingers will not be permanently crippled. Mr. Baillie is sixty-three years old and the greater portion of his life has been spent at the Wabash 'smith shop, where he is considered one of the best workmen. He is regarded as a "good fellow" by his associates and his misfortune called forth general sympathy.

COMPOUNDS A FAILURE.

For locomotive purposes the compound engine is evidently not the overwhelming success their designer intended they should be. No. 659, a piston valve double compound engine, which has been in service on the Wabash less than a year, will leave the shops in this city some time next week a "simple" engine. The change is now being made at a big outlay of labor and material, but the benefits will, it is said, more than justify the cost of the transformation. The compound locomotive was introduced years ago and has been tried by every railway in the country, but so far they have not been a success. At least the simple engine continues the favorite and new orders are for this class. The compound is a wonderful success for stationary engines and for this purpose the demand for this class of engine is constantly increasing.

STRICT RULES TO BE ENFORCED.

It is stated that the order sent out by W. C. Cushing, superintendent of the eastern division of the Pittsburg, Fort Wayne and Chicago road, will be sent to all ticket offices, which will make it necessary for agents to lead a secluded life, certainly when on duty. The idea is said to be to protect the agents so far as possible in their work and keep out persons who might have evil intentions. The order reads that agents will not be permitted to accept satchels, bundles, packages or parcels of any kind to be kept in their offices, and that they must refuse to permit any persons, except accredited employes of the company, from entering said offices. This rule will interfere greatly with the work of the traveling passenger agents, who had been in the habit of spending a few minutes in the offices of the agents chatting and talking business. The agent will not in the future be permitted to entertain the traveling men in his office and cannot take care of their packages or hand satchels. The station agent will regret to be obliged to call the attention of his traveling friends to the new orders, but he will find it a good thing to keep out the loafers who were in the habit of annoying him while he was at work.

FIREMEN WILL REGRET IT.

In The Sentinel's telegraphic columns today will be found a dispatch stating that Frank P. Sargent, president of the Brotherhood of Locomotive Firemen, had accepted the office of commissioner general of immigration of the United States, vice T. V. Powderly, resigned. This will be most unwelcome news to the firemen, who have come to look upon Mr. Sargent as an indispensible official to the Brotherhood of Locomotive Firemen. He is considered the best and safest president the brotherhood ever had and it was the desire of all that Mr. Sargent should remain in that position many years. He is personally known to many of the brotherhood men in this city.

INDUSTRIAL NOTES.

Fred Hartman has resigned his position at the electric works.

Machinist G. L. Harris, of the Pittsburg shops, is sick and off duty.

Dennis Brown became master mechanic of the Southern railway's shops at Princeton, Ind.

George S. Batty has tendered his resignation as general passenger agent of the Iowa Central.

Rhinesmith & Simonson and the Anthony Wayne Manufacturing company will pay their employes tomorrow.

Nickel Plate Conductor Charles Bushey is temporarily on a local freight run between Leipsic and Bellevue.

Engines 189, 627, 645, 636, 250, 53 and 154 were repaired and turned out of the Pittsburg shops during the past week.

Miss Nellie Nolan, daughter of the old machinist at the Pittsburg shops, has gone to Lima, Ohio, for a few days' visit.

Nickel Plate Engineer T. E. Short, who was off duty on account of the sickness of his mother, reported for work yesterday.

Charles Racquet has returned from a business trip to Wyandotte, Mich., in the interest of the Fort Wayne Electric company.

Val Koehner, a car wheel moulder at the Bass foundry, is the father of a bright little son, who arrived at his home yesterday.

T. R. Davis, a Pittsburg fireman, met with an accident yesterday which will lay him up for awhile, though it is not very serious.

Mayor C. A. Bookwalter, of Indianapolis, passed through the city yesterday, en route to Philadelphia to see his brother, Morton.

The Pennsylvania will place an order for 1,000 high side gondola cars, 100,000 pounds capacity, for its lines west of Pittsburg.

The reassignments of Nickel Plate brakemen were C. H. Rice with Conductor G. B. McCormick and J. S. Carey with Conductor Epps.

Engine 1,356, just out of the Wabash repair shops in this city, will be taken to the Buffalo division tomorrow and placed in service.

Chief Car Inspector W. W. Todd, of the Pennsylvania, is in Chicago today, looking after some business matters pertaining to his department.

Fen Elliott, a Nickel Plate car repairer, is suffering from a sprained back, which will keep him from his duties at the yards for a few days.

George L. Wall, of the Pennsylvania, left this evening for Philadelphia, where he will be engaged two or three hours in special work for the company.

Conductor William Hayes, of the Pittsburg warehouse switching crew, working at night, is taking a week's lay off and Earl Repine has charge of the crew.

F. W. Barnes, of Cleveland, commercial agent of the Chicago, Milwaukee and St. Paul road, was in the city yesterday, looking after the interests of the company.

Charles Drake, a truckman, had two toes injured yesterday, and C. B. Harrison and H. J. Thompson are sick and off duty. All are employed at the Pittsburg freight house.

The New York Central last week placed an order with the Schenectady Locomotive works for twenty-five engines, and the Monon placed an order with the same works for two passenger engines.

Blacksmith David Murray, who was struck in the breast by a heavy pair of tongs at the Wabash shops, went down to the Peru hospital this morning to remain until he is able to take his place at the forge.

Mrs. E. B. Conway, the wife of a Pittsburg yard conductor, is lying very ill at the family home. The lady is the sister of Conductor Thomas McArdle and that gentleman is off duty on account of her serious condition.

William Boag, the retired machinist, and his son and daughter, went to Chicago this morning to attend the funeral of Mr. Boag's nephew. Machinist W. O. Barrett went to Chicago upon a similar mission.

George Keplinger has been temporarily transferred from Foreman A. Keyser's room to one of the departments in the new building. His place in Mr. Keyser's room has been taken by William McBennett.

Engine 10 has been assigned to a local freight run on the Nickel Plate, between Leipsic and Bellevue. Engine 47, which had that run, has been "laid up" until there is a demand for her services in through freight.

Within ninety days the Panhandle will be a four-tracked road from Pittsburg to Sheridan, free from crossings of other roads and above grade of the highways. Express trains can run sixty miles an hour with perfect safety.

Mrs. W. Bicknell has returned from Hot Springs, where she spent three months in the sanitarium taking treatment for rheumatism. She was greatly benefited by the treatment. Mr. Bicknell, the husband, is employed in the Pittsburg boiler shop.

C. W. Bradshaw, roadmaster of the Louisville and Nashville at Columbia, Tenn., has been appointed superintendent of the Owensboro and Nashville division, vice J. R. Wheeler, transferred to the South and North Alabama road at Birmingham.

Over 300 feet of trestle work near Enterprise, Miss., on the Mobile and Ohio road, were washed out by the flood last Thursday and Superintendent Clarke says that it will be impossible to repair the tracks and run trains over them before Saturday night.

Rates on wheat flour for export will be advanced April 14 to the basis of 17½ cents, Chicago to New York. For six weeks it has been but 15 cents, and this enabled western millers to handle export flour with a little profit, which they cannot do with a 17½ cent rate.

Hereafter there will be one, instead of two and three sections, of Pennsylvania train No. 11 and that one will not carry passengers. This reduction in number is due to the falling off of express business, which in the spring and summer reaches the minimum point.

The Keller & Baum Steam Stone works now employ thirty-two men, eight more than was ever before on the pay rolls of that firm. In addition to cutting stone for buildings in Fort Wayne, this firm is now getting out material for large buildings at Elkhart, Portland, Defiance, Columbia City and elsewhere.

Marvin Hughitt, president of the Chicago and Northwestern, denies that he is to retire in favor of W. K. Vanderbilt. Mr. Hughitt has been in fact, if not technically, at the head of the great system since 1872, and since 1887 its president. The story of his life for half a century is almost synonimous with that of the telegraph and railroads in the west, he beginning as a telegraph operator at Auburn, N. Y.

Linden Quartet Concert tonight, 25c, Wayne street M. E. church.

1,000 pieces wide fancy ribbons, 10c yard, worth double, at
THE PEOPLE'S STORE.

Miss Laura Teeft

172 Ellicott St., Buffalo, N. Y.

"One good turn deserves another and because Wine of Cardui restored me to health I have been glad to speak a good word for it whenever I have had an opportunity. About two years ago I suffered such pain every month from three to four days that I dreaded the time. The doctor said there was a misplacement and that the only real relief laid in an operation and advised me to have one performed. I dreaded the ordeal and speaking of it to my aunt she said, 'why don't you try Wine of Cardui first?' I took it and it cured me of ulceration. Much relieved and full of hope I bought another bottle and after taking the medicine for a short time my general health improved and thirteen bottles completed the cure. It is a grand medicine for women."

MISS LAURA TEEFT'S gratitude shows how well Wine of Cardui did its work in ridding her of this terrible suffering. Her joy at finding a medicine that made her a well woman is unbounded. Wine of Cardui left her nothing to be desired in the realization of the greatest of Nature's blessings—perfect health to perform the duties and enjoy fully the privileges of life. Wine of Cardui, in giving Miss Teeft health for sickness, joy for sorrow and a light heart for the dreadful apprehension of the dangers of the operating table has made her happy and grateful. Her eyes are brighter, cheeks rosier, her steps more sprightly and a happy smile lights up her face once clouded by suffering. With Wine of Cardui offered freely this health and youth is possible to any woman. Banishing suffering cannot fail to make any woman lovelier and more beautiful, because the very presence of health means pure blood, sparkling eyes, a clear complexion and a grace of physical poise that is a natural response to a merry laugh and a sunny disposition.

Mrs. Donoho, of Handley Station, Texas, has had a happy experience with Wine of Cardui, of which her husband writes as follows:

"I must write and thank you for what your Wine of Cardui has done for me. It has given me a beautiful, healthy, rosy-cheeked wife. She looks so much younger and prettier that my friends very often ask me 'Was that your wife whom you were with?' When I tell them it was they are surprised. I always tell them Wine of Cardui made the change. I expect to keep Wine of Cardui in my house always."

Wine of Cardui has been relieving woman's ills for over 75 years, and it has a record of cures that makes it supreme as a reliable remedy for menstrual disorders, bearing-down pains and all the debilitating vital drains which rob a woman of her beauty and health, then her reason and life itself. It is sad to see a charming girl deprived of her natural charms which bind her to all that is worth living for. And this all because of the terrible lurking canker worm of female weakness—so loathsome—yet so easily banished by Wine of Cardui as these two letters have shown. Write to The Ladies' Advisory Department, The Chattanooga Medicine Co., Chattanooga, Tenn., if you are a sufferer. Tell all your symptoms and a letter of advice will be sent you. If you want them we can send you testimonials from ladies cured by Wine of Cardui in cases similar to yours. We have over 10,000 letters on file and many will fit your case. But you can have a quicker proof of what Wine of Cardui will do for you. Go to your druggist and buy a $1.00 bottle. Take it as directed and you will find the treatment is as easy as it has been proven to be powerful and effective by over 1,000,000 cures. The directions on the bottle to take a tablespoonful three times a day is the condition of health, beauty, happiness and the joy that Miss Teeft and Mrs. Donoho have. Why not start this simple remedy today?

WINE OF CARDUI RELIEVES ALL "FEMALE ILLS".

VARICOCELE!

Have You Got It?

We Will Cure You In Five Days.

Do not waste time taking medicine, applying local applications, electric belts or suspensories. You burn your money. That kind of treatment will never cure you. Never a day passes without a number call at our office suffering from this terrible malady, Varicocele, telling us their misfortune of falling in hands of quacks; been treating with them from one to five years—spending a small fortune and now worse than before taking their treatment.

GENTLEMEN, WAKE UP!

The pleasures of life are slipping through your fingers. Come to us and be cured.

It matters not by whom you have been treated, how long a sufferer or how bad a Varicocele you have; we will cure you just as sure as 2 and 2 are 4. If we don't, not one cent will it cost you. Our treatment for Varicocele is painless, no cutting, no blood and will not stop you a day from your daily work. If you are a sufferer from Varicocele, call at our office and we will gladly explain our method of curing this malady. This will cost you nothing and we will explain to your own satisfaction that WE CURE VARICOCELE TO STAY CURED.

$500.00 FORFEIT

1st. For any case of Varicocele we accept and fail to cure.

2nd. To any one we have treated for any trouble and not satisfied.

THE WEATHER.

Chicago, April 4.—Forecast for Indiana: Generally fair tonight and Saturday; warmer Saturday; northerly winds, becoming variable.

LOCAL LINES.

The stewards of Trinity M. E. church will hold a meeting this evening.

Mrs. Mary Sapp and sons, Edward and Raymond, have been visiting at Garrett.

Owing to other services the North Side Bible class will not meet this evening.

Miss Bertha Rush, of Ligonier, is in the city, the guest of the Misses Della and Carrie Akers.

"The Problem of Suffering" will be the subject of Rabbi Cohn this evening at the Hebrew temple.

Mr. and Mrs. Richard Brown, of Sedalia, Mo., are the guests of Mrs. Brown's parents, Mr. and Mrs. Adam Weber, of 81 Montgomery street.

Mrs. M. S. Morrison, of Division street, has returned from Warsaw, where she attended the Presbyterial convention as a delegate from the Third church.

Rabbi and Mrs. I. Aaron, of Buffalo, N. Y., arrived in the city this morning. They were called here by the death of Mrs. Aaron's father, the late Leopold Falk.

Rev. J. N. Field, of the Baptist tabernacle, is in Bluffton today attending an educational convention. He will speak this evening on "The Relation of the Churches to Christ and Higher Education." Rev. Field will return tonight or tomorrow morning.

Dr. W. Underwood, of Elwood, formerly in the printing business in this city, will return here with his family to reside, and will enter the employ of I. G. Stafford. Mr. Underwood has served as president, secretary and treasurer of the typographical union at Elwood.

Reports of Wayne street church, which is just closing its conference year, show that during the past twelve months there has been a total of 102 accessions in membership and that the apportionments for all benevolent purposes have been more than met. The general condition of the church is most gratifying. The quarterly conference has asked the return of Rev. Preston as pastor and he will probably be reappointed by the North Indiana conference, which meets next week at Marion.

Mrs. George D. Piepenbrink, of West Jefferson street, delightfully entertained a large company of ladies Wednesday afternoon in honor of her sister-in-law, Mrs. E. M. Wilde, of Milwaukee. At progressive pedro Mrs. Jesse Patterson won first prize, and Mrs. W. M. Klinkel second prize for games, Mrs. J. B. Fonner first prize for fourteens and the consolation awards went to Mrs. Boerger and Miss Bremeyer. The home was charmingly decorated with white carnations and smilax and an elaborate luncheon was served at the close.

Linden Quartet Concert tonight, 25c, Wayne street M. E. church.

CANDIES AT GIVE-AWAY PRICES

Commencing today we will sell French Mixed Candy at 5c per pound, and continue to sell at above price until our supply is exhausted. Come early and get a pound of this nice, fresh mixture.

As our Chocolate Creams did not arrive in time for our sale on Wednesday, we have therefore decided to have our sale on Saturday. Price, 10c per pound.

Visit our candy department and see the sweet things we are offering at 10c per pound.

IN JUSTICES' COURTS.

Justice Bullerman this morning issued a warrant for the arrest of Emanuel Steinhauer at the instance of Mrs. Elizabeth Gladbach, who has instituted surety of the peace proceedings. Steinhauer has not yet been found by Constable Kennedy, who has the warrant. Mr. and Mrs. Gladbach and Steinhauer have been living at 222 Pontiac street, where they had established a sort of an Oneida community on a small scale. Mrs. Gladbach relates to the prosecutor that some few years ago Steinhauer came to live with them and in consideration of the contributions of Steinhauer to the family expense account she was made a sort of a partnership commodity. She tired of having a husband and a proxy and refused to any longer be friendly with Mr. Steinhauer, whereupon he became violent and made dire threats. Steinhauer has not been seen since his appearance in Bullerman's court several days ago when he was fined for drunkenness. What the developments will be when the case comes to trial can not be conjectured. Gladbach is a carpenter employed at the Berghoff brewery and Steinhauer is a sort of a jack-of-all-trades, dividing his time between carpenter work and running stationary engines.

Justice France this afternoon acquitted John Kennedy, jr., of assault and battery on Laban Blair, while the charge of profanity against John Kennedy, sr., has been venued to Rayhouser's court in Washington township.

In Tanney's court John Kennedy, jr., has filed an affidavit against Laban Blair, charging him with assaulting George French.

HAD ALIBIS GALORE.

Chicago, April 4.—All of the evidence for the state in the trial of Lewis G. Toombs, accused of the murder of Carrie Larson on the steamer Peerless one night last winter, is now before the jury and among the witnesses for the defense will be Toombs himself. A newspaper reporter testified to three different alibis which he had run down as a result of Toombs statements to him and found them all to be false.

ALL THE BODIES RECOVERED.

Chattanooga, Tenn., April 4.—The bodies of all the sixteen victims of the explosion in the Nelson mine, at Dayton, Tenn., have been recovered and the miners are now removing the accumulated slate. It is stated that the mine will be operated again as soon as possible.

New Haven News: "Mart Todd and family are now residents of Fort Wayne, having moved their household goods to that city last week."

WOMEN ONLY.

Men who have heard Major Hilton's addresses to "men only," will need no urging to advise their wives to hear the lecture on "Thieves in the Temple" at the Plymouth Congregational church on Monday, April 7th, at 3 o'clock, promptly. Major Hilton will speak of matters that should command the attention of every woman over 18 in Fort Wayne. A New Haven, Conn., paper says: "We have never heard a man who could handle the question of personal purity with such a marvelous combination of delicacy, strength and power as Major Hilton."

After
Severe Sickness

We are recommending Vinol with most excellent results—it is just the tonic, strength and flesh builder that people need after a severe illness—the Grippe or a Fever. A Prominent

Physician Cured by VINOL.

"Your Statement in regard to Vinol as a tonic has proved true in my case. I was run down from overwork and not having fully recovered from a long siege of Grippe found myself in a very debilitated condition, when Vinol was suggested to me. I am perfectly well and able to attend to my work. I have recommended it to many of my patients with the best results."—M. A. JENKS, M. D., 87 North Main Street, Pawtucket, R. I.

VINOL

(Wine of Cod-Liver Oil)

We want every one in this place to know more about our Vinol, how it cures and what it cures. Certainly the greatest tonic and rebuilder we have ever sold. We, therefore, cordially invite any one interested to call upon us, and we want all to bear in mind that we will gladly refund to any one who is not satisfied with the action of Vinol, every cent they paid for it.

MISS STONE COMING HOME

LEAVES LONDON FOR THE UNITED STATES.

Will Begin Lecturing in Aid of Missions Soon After Her Arrival in This Country.

London, April 4.—Miss Ellen M. Stone, the American missionary, sailed for New York on the Hamburg-American line steamer Deutschland, which left Southampton today. Her departure from London was quiet. She was accompanied by R. B. McClure and R. S. Baker. She will begin lecturing in aid of the missions almost immediately after her arrival in the United States. The rest which Miss Stone had in England has improved her health, though she was obliged to refuse countless invitations to speak before religious and other bodies. Mr. Choate, the United States ambassador, and Mrs. Choate are greatly interested in the missionary. They entertained her at the embassy at tea Thursday, where Miss Stone gave the diplomatic party a graphic yet simple account of her experiences.

REPLY TO MAJOR HILTON.

In his sermon delivered Wednesday evening at the Third Presbyterian church, extracts of which were published in The Sentinel of Thursday evening, Major Hilton made the following statement relative to Christian Science:

"Take Christian Science, for instance. The body is magnified above the soul, and as the body is magnified God is belittled. They pay more attention to their bodies than they do to their souls. Did you ever hear of any of the great Christians mentioned in the Bible who did that? Did any Christian martyr ever do it? What is any science compared to God's science?"

Probably no more startling misrepresentation of the teachings and tenets of Christian Science has ever been implanted in the public mind, and while we heartily accord Major Hilton the Christian charity due to unguarded, yea, unwarranted, speech, we feel it our duty to correct misstatements in regard to our much misunderstood, yet Christianly scientific, religion.

Had Major Hilton given the textbook of Christian Science, "Science and Health, With Key to the Scriptures," by Rev. Mary Baker Eddy, even a cursory study, he would have found such statements as these:

"The Christian Scientist takes the best care of his body when he leaves it most out of his thought, and, like the Apostle Paul, is 'willing rather to be absent from the body and present with the Lord'"—(Page 392.) Again: "Body is not first and soul last, nor is evil mightier than good"—(Page 103.) Again: "If we look to the body for pleasure, we find pain. * * * Look away from the body, into truth and love, the principle of all happiness, harmony and immortality"—(Page 157.)

There are hundreds of similar statements in this great work, showing the allness of soul and the nothingness of body, but these few are sufficient to prove the utter fallacy of the major's statements.

In his inquiry, "What is any science compared to God's Science?" Major Hilton evidently confounds Christian Science with natural or material science; whereas, according to the teachings of Christian Science the spiritual interpretation of the term Science refers entirely and absolutely to the emanations of the Divine mind—to God and His holy laws, ways, means, modes, methods—to all that stands for righteousness and holiness—and has no relation to the tenets of so-called physical or material science, or to the phenomena of the material world. Christian Science is properly Christ-Science, or the laws and knowledge of good, taught and demonstrated by Jesus Christ, scientifically stated. It is, therefore, in its divine reality "God's Science," and deals entirely with spiritual things, having no relation to materiality. Its teachings and tenets are based wholly on the sacred Scriptures and its Science contains not a single statement which cannot be correlated by the teachings of the lowly Nazarene. Christian Science is the law of God which causes the sinner "to forsake his way and the unrighteous man his thoughts." It shows conclusively not only how to obtain righteousness by the study of the Holy Bible, but divine health as well.

The first of the Christian Science tenets is this: "As adherents of Truth we take the inspired Word of the Bible for our guide to eternal Life." And the last is this: "We solemnly promise to strive, watch and pray for that Mind to be in us which was also in Christ Jesus, to love one another, and to be meek, merciful, just and pure." (From Science and Health with Key to the Scriptures).

Now, I ask, can Major Hilton think of any teachings which will make better Christians than these, or which will cause man to think less of "body" and more of God?

Surely our Christian brother and much admired friend in Christ must have "bespoke" himself, but we are glad he did, for "we shall know each other better" now that "the mists have cleared away."

Fraternally,
William Bradford Dickson.

Linden Quartet Concert tonight, 25c, Wayne street M. E. church.

IS GOOD FOR ATLANTIC CITY

THE BIG FIRE MAKES WAY FOR NEEDED IMPROVEMENTS.

Work of Rebuilding the Famous Board Walk is Already Under Way—Fire's Origin Mystery.

Atlantic City, N. J., April 4.—The beach front between Illinois and New York avenues today presents a scene of utter ruin and desolation. Of the many fine hotels which were situated in the district visited by yesterday's conflagration there remains standing the unburned portion of the Windsor hotel at the board walk and Illinois avenue, and the charred frame work of the Rio Grande hotel on New York avenue. Between these two structures lies a blackened waste, scarcely a stick being left to identify any one of the numerous buildings destroyed by the fire. The shell of the Academy of Music remains standing and this is notable, as the theatre was the only brick building in the burned area.

All through the night the beach, board walk and avenues near the scene of the fire were patrolled by the Morris guards and company L, of the National Guards. During the day the soldiers were relieved from duty, the police force of the city being adequate to handle the crowds which visited the scene of the conflagration.

While great sympathy is generally expressed for the sufferers by the fire, the impression prevails that the disastrous visitation will not be without good results, as it has opened the way to improvements which it is conceded were a necessity. The municipal authorities were the first to begin the work of rebuilding and today, pursuant to the action of city councils last night, a force of workmen was put to work repairing the board walk. A car load of planks which were to have been used in renovating another section were utilized to reconstruct the burned portion.

Many articles of bric-a-brac and household furniture which were not destroyed by the fire were lost or broken in transit to places of safety. The beach and vacant lots in the vicinity of the fire are strewn with tables, crockery, bedding, kitchen utensils and rugs, and on New York avenue a grand piano stands alone in about a foot of mud.

The police and fire departments are still unable to discover the origin of the fire. At police headquarters today it was stated that after a careful investigation the authorities were of the opinion that the fire had started in the rear of the Tarleton hotel, but whether it originated from the explosion of a gasoline stove or an overheated kitchen range they were unable to say. There is also a theory that crossed electric wires started the fire.

Linden Quartet Concert tonight, 25c, Wayne street M. E. church.

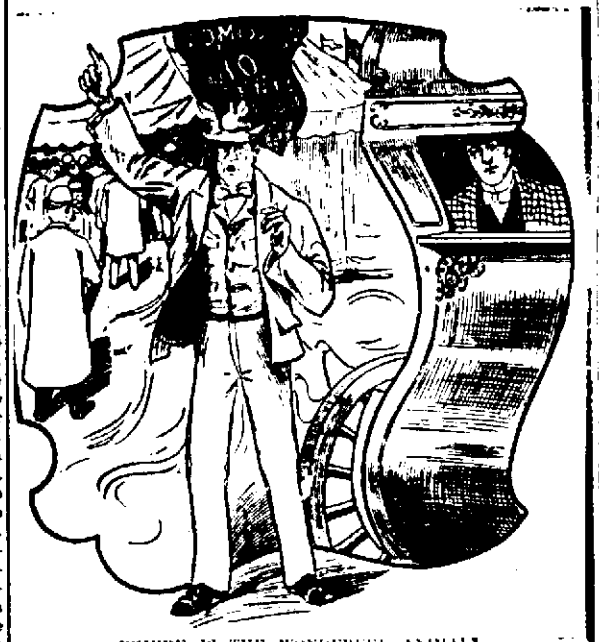
200 Men's 75c Jersey working shirts to be closed out at 25c each, at THE PEOPLE'S STORE.

Mrs C. A. Wilding gave a thimble party yesterday afternoon, Mrs. A. Geismar, of Toledo, being a guest from out of the city.

TEMPLAR-HATFIELD.

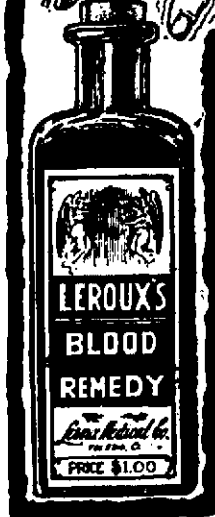
Miss Pearl Hatfield and Wayne Templar were married last evening at 7:30 o'clock at the home of the bride on Nelson street by Rev. Zach Harris, pastor of the West Creighton avenue Church of Christ. The guests were relatives of the couple. Mr. and Mrs. Templar will reside at 1120 Wilt street. The groom is a machinist in the Wabash shops.

A PUZZLE PICTURE.



WHERE IS THE WONDERFUL ANIMAL?

SHATTERED NERVES



THE NERVES are among the first organisms of the human system to suffer when the blood becomes impoverished or impure. They vibrate with the fever of impeded circulation and gradually lose tissue until that state of physical collapse ensues that is known as nervous prostration. The nourishment the nerves need is in the blood, and only when the blood is ridden of its disease-breeding substances can the nerves be restored to their normal, healthy condition.

Leroux's Blood Remedy

is a noted nerve nourisher. Filtering through the blood, as it does, it removes the alien agencies of disease and stimulates the circulation to the important work of building of the run-down nerve tissues. With the return of the blood to its ordinary purity and purpose comes the complete restoration of the nerve functions.

TWO BOTTLES CURED HIM.

THE LEROUX MEDICINE CO., TOLEDO, O.:

Six or nine months ago I took sick and had a high fever, and the doctor naturally treated me for that fever, and during the treatment my face began to rot, ulcerate and break out in terrible sores. I asked the doctor what it all meant. He said I was badly blood poisoned, and kept on the treatment until I got worse and worse. My face was so badly swollen I could hardly see during that time. A friend of mine visited me and asked me what was the matter. I told him I was blood poisoned. He said that he heard Mr. Leroux had a wonderful blood purifier. "Why don't you try a bottle?" I took his advice and sent for one; I used it and was astonished at the result. It diminished the swelling and soreness rapidly; after using the second bottle I thought I was a new man altogether, and never felt so good since my sickness.

I cannot recommend Leroux's Infallible Remedy too highly.

THE WEATHER.

Chicago, April 4.—Forecast for Indiana.—Generally fair tonight and Saturday; warmer Saturday; northerly winds, becoming variable.

LOCAL LINES.

The stewards of Trinity M. E. church will hold a meeting this evening.

Mrs. Mary Sapp and sons, Edward and Raymond, have been visiting at Garrett.

Owing to other services the North Side Bible class will not meet this evening.

Miss Bertha Rush, of Ligonier, is in the city, the guest of the Misses Della and Carrie Akers.

"The Problem of Suffering" will be the subject of Rabbi Cohn this evening at the Hebrew temple.

Mr. and Mrs. Richard Brown, of Sedalia, Mo., are the guests of Mrs. Brown's parents, Mr. and Mrs. Adam Weber, of 81 Montgomery street.

Mrs. M. S. Merriam, of Division street, has returned from Warsaw, where she attended the Presbyterial convention as a delegate from the Third church.

Rabbi and Mrs. I. Aaron, of Buffalo, N. Y., arrived in the city this morning. They were called here by the death of Mrs. Aaron's father, the late Leopold Falk.

Rev. J. N. Field, of the Baptist tabernacle, is in Bluffton today attending an educational convention. He will speak this evening on "The Relation of the Churches to Christ and Higher Education." Rev. Field will return tonight or tomorrow morning.

Dr. W. Underwood, of Elwood, formerly in the printing business in this city, will return here with his family to reside, and will enter the employ of I. G. Stafford. Mr. Underwood has served as president, secretary and treasurer of the typographical union at Elwood.

Reports of Wayne street church, which is just closing its conference year, show that during the past twelve months there has been a total of 102 accessions in membership and that the apportionments for all benevolent purposes have been more than met. The general condition of the church is most gratifying. The quarterly conference has asked the return of Rev. Preston as pastor and he will probably be reappointed by the North Indiana conference, which meets next week at Marion.

Mrs. George D. Piepenbrink, of West Jefferson street, delightfully entertained a large company of ladies Wednesday afternoon in honor of her sister-in-law, Mrs. E. M. Wilde, of Milwaukee. At progressive pedro Mrs. Jesse Patterson won first prize, and Mrs. W. M. Klinkel second prize for games. Mrs. J. B. Fonner first prize for fourteens and the consolation awards went to Mrs. Boerger and Miss Biemeyer. The home was charmingly decorated with white carnations and smilax and an elaborate luncheon was served at the close.

Linden Quartet Concert tonight, 25c Wayne street M. E. church.

CANDIES AT GIVE-AWAY PRICES

Commencing today we will sell French Mixed Candy at 5c per pound, and continue to sell at above price until our supply is exhausted. Come early and get a pound of this nice, fresh mixture.

As our Chocolate Creams did not arrive in time for our sale on Wednesday, we have therefore decided to have our sale on Saturday. Price, 10c per pound.

Visit our candy department and see the sweet things we are offering at 10c per pound.

Phones, 315-366. Opp. Postoffice.

IN JUSTICES' COURTS.

Justice Bullerman this morning issued a warrant for the arrest of Emanuel Steinhauer at the instance of Mrs. Elizabeth Gladbach, who has instituted surety of the peace proceedings. Steinhauer has not yet been found by Constable Kennelly, who has the warrant. Mr. and Mrs. Gladbach and Steinhauer have been living at 222 Pontiac street, where they had established a sort of an Oneida community on a small scale. Mrs. Gladbach relates to the prosecutor that some few years ago Steinhauer came to live with them and in consideration of the contributions of Steinhauer to the family expense account she was made a sort of a partnership commodity. She tired of having a husband and a proxy and refused to any longer be friendly with Mr. Steinhauer, whereupon he became violent and made dire threats. Steinhauer has not been seen since his appearance in Bullerman's court several days ago when he was fined for drunkenness. What the developments will be when the case comes to trial can not be conjectured. Gladbach is a carpenter employed at the Berghoff brewery and Steinhauer is a sort of a jack-of-all-trades, dividing his time between carpenter work and running stationary engines.

Justice France this afternoon acquitted John Kennedy, jr., of assault and battery on Laban Blair, while the charge of profanity against John Kennedy, sr., has been venued to Rayhouser's court in Washington township.

In Taney's court John Kennedy, jr., has filed an affidavit against Laban Blair, charging him with assaulting George French.

HAD ALIBIS GALORE.

Chicago, April 4.—All of the evidence for the state in the trial of Lewis G. Toombs, accused of the murder of Carrie Larson on the steamer Peerless one night last winter, is now before the jury and among the witnesses for the defense will be Toombs himself. A newspaper reporter testified to three different alibis which he had run down as a result of Toombs' statements to him and found them all to be false.

ALL THE BODIES RECOVERED.

Chattanooga, Tenn., April 4.—The bodies of all the sixteen victims of the explosion in the Nelson mine, at Dayton, Tenn., have been recovered and the miners are now removing the accumulated slate. It is stated that the mine will be operated again as soon as possible.

New Haven News: "Mart Todd and family are now residents of Fort Wayne, having moved their household goods to that city last week."

WOMEN ONLY.

Men who have heard Major Hilton's addresses to "men only," will need no urging to advise their wives to hear the lecture on "Thieves in the Temple" at the Plymouth Congregational church on Monday, April 7th, at 3 o'clock, promptly. Major Hilton will speak of matters that should command the attention of every woman over 16 in Fort Wayne. A New Haven, Conn., paper says: "We have never heard a man who could handle the question of personal purity with such a marvelous combination of delicacy, strength and power as Major Hilton."

MARRIAGE VOWS ARE TAKEN

PRETTY WEDDING SOLEMNIZED THURSDAY NIGHT.

Miss Elizabeth Knight and Fred C. Peters United in Marriage by Rev. D. W. Moffat.

Miss Elizabeth Jane Knight, daughter of Mr. and Mrs. C. S. Knight, and Frederick Christian Peters, eldest son of Mr. and Mrs. J. C. Peters, were married at 8 o'clock Thursday evening at the home of the bride's parents by Rev. D. W. Moffat, D. D., pastor of the First Presbyterian church.

As the opening bars of Mendelssohn's wedding march were played by the Alexander orchestra the four little ribbon bearers, Alice Knight, Helen and Bertha Peters and Blanche Reuss, entered the parlor carrying bands of white satin ribbon which marked the aisle for the entrance of the bridal party. The ribbons were passed around two pedestals, whose tops were covered with lilies and smilax and then carried to the library. The ribbon bearers were dressed in white and wore white bows in their hair. The bridesmaids, Miss Katherine Hoffman, Miss Mary Knight, Miss Florence Barrett, Miss Valette Rurode, Miss Flora Peters and Miss Alice Nelson, of Logansport, were dressed in white and wore court veils held in place by ostrich tips, and carried bouquets of lilies tied with ribbon. They entered immediately after the ribbon bearers, and were followed by the maid of honor, Miss Helen Knight, who wore a white silk mourseline gown trimmed with duchess lace. She also carried lilies. The bride then entered on the arm of her father and met the groom, attended by his brother, Will Peters, the couple then taking their places in front of Dr. Moffat. The bridal dress was of point lelon lace, over white satin, trimmed with duchess lace and tulle and she carried lilies of the valley. The bride wore a tulle veil fastened with an ostrich tip similar to those of the maids.

The parlor, dining and living rooms were done in green and white mignonette, Easter lilies and white tulips being used. In the hall and stairway ferns, wild smilax and daffodils were used in decoration. In the dining-room the tables were arranged to form three sides of a square, seating thirty-eight. White candles softened by pink shades and contained in crystal candelabra furnished illumination. Sweet peas and maidenhair fern were strewn about the table in profusion. The other floral decorations were sweet pea, carnations and mignonette. The place cards were embossed with the monogram K. and P. in gold. An elaborate supper followed the ceremony. The attendants and intimate friends occupied the places at the bride's tables, while the families were served at small tables in the library. The other guests were served afterward.

After supper the younger people went to the Wayne club, where a dance was given by Will Peters. Mr. and Mrs. Peters attended for a time, but returned home early and prepared for their wedding trip, leaving at an early hour for the east over the Wabash.

Guests from out of the city were: Mrs. J. C. Nelson and sons, Messrs. Allan and Coleman Nelson, Messrs. Will Eliot and C. H. Keller, all of Logansport; Mrs. C. M. Knickerbocker, of Hillsdale, Mich.; Mrs. George Willard, of Columbus, O.; John Hoagland, of Chicago; Mr. and Mrs. P. C. Barnard, of Newport, Ky.; Mr. and Mrs. W. C. Stuart, of Chicago; Miss Hoagland, of Indianapolis; R. D. Potter, of Toledo; Mr. and Mrs. H. B. Sale, of Indianapolis.

A BEER FAMINE FOR BOSTON

STRIKE IN THE BREWERIES IS INAUGURATED.

If Saloons Handle Non-Union Beer a Strike of Bartenders is Sure to Follow.

Boston, Mass., April 4.—About 1,000 workmen employed in Boston breweries struck today because of the refusal of the master brewers to grant their demands for shorter hours with the same wages as at present and for certain other concessions. A further strike of 500 bottlers, coopers and stationary engineers is threatened within the next twenty-four hours.

Twenty-four local breweries are affected. The strikers are all members of Brewery Workers' unions and have the endorsement of the national organization, the Central Labor union and other branches of organized labor.

In the event of any saloonkeepers ordering non-union beer to be served, it is said that a strike of the bartenders will immediately follow. The bartenders' union numbers nearly 2,000 members in Boston and vicinity.

The brewery employes have struck against the master brewers' proposition that they shall hire only union men, but that they shall be permitted to discharge, without question from the union, any employe whom they see fit. The workmen also demand an eight-hour work day and 50 cents an hour for overtime.

TURNED CHRISTMAS DOWN.

Copenhagen, April 4.—An official note was issued today formally announcing that the Danish ministry has had no connection with Captain Christmas. The latter applied for an audience, but the premier, D. Deuntzer, refused to see him. The premier also refused to receive a copy of Christmas' report on the subject of the negotiations for the sale of the Danish West Indies.

MADE NO DEMONSTRATION

ST. PETERSBURG STUDENTS QUIET APRIL 1.

Organizers Arrested the Night Before and Revolutionary Movement Ended for Time.

St. Petersburg, April 4.—The intended demonstration of students planned for April 1 did not materialize. The organizers were arrested on the previous night. The students' revolutionary movement has temporarily ended. The malcontents have failed to prevent the delivery of the university lectures, though the attendance in the lecture rooms averages only half a dozen students. The recent wholesale arrests and the imposition of sentences have greatly lessened the prospect of agitations in the immediate future. The agitators, at the present moment, have no formidable program beyond the May day workingmen's celebrations, but strikes and lockouts, it is anticipated, will occur in the spring and summer.

The sending of ninety-five of the Moscow rioters to Siberia, with many persons from other cities, has caused serious apprehensions. Clashes between rioters and police still occur and one hears ominous whispers of "next comes the revolver."

Prophets have been predicting a revival of the reign of terrorism as a result of the government's determination to prevent all political propaganda and all proclamations. The discontent, however, is manifested in a peaceful manner.

Three professors of Kharkoff university have been dismissed for supposed or expressed sympathy with the students.

SAVED BY A HORSE'S TAIL.

Evansville, Ind., April 4.—Fred Tieman and Miss Rosa Beard were on their way to a farmhouse near this city to be married Wednesday. In going there they had to cross Cypress pond, a shallow stream, but by recent rains increased until it was nearly a mile wide. In the middle of the pond the horse stumbled and the bridal party were thrown into the water, which was nearly up to their necks. The harness was pulling the horse under, but Tieman bravely held up the animal's nose while he cut him loose from the wagon. Then, clinging to the horse's tail and scraps of harness, the young couple were rescued from their predicament by letting the horse swim out. They were landed safely, but the wedding was postponed until today to give the parties a chance to quiet their nerves.

DYING OF DISLOCATED HEART.

Laporte, Ind., April 4.—Isaac Dishong, a farmer of this vicinity, is dying of a dislocated heart. Three weeks ago, while attempting to steer a wagon down an incline he was thrown from the vehicle. The fall was of such force that his heart moved four inches out of place. Inflammation has set in and the physicians have abandoned hope of saving his life.

LOCAL LINES.

Mrs. Barney Freiburger entertained the Jolly Twelve club at progressive pedro yesterday afternoon. First prize was won by Mrs. John Schuler, jr., second prize by Mrs. John Schuler, sr., and third by Mrs. Charles Trippla.

Peru Journal: "Mrs. Edward Sherbondy and sister-in-law, Miss Clara Sherbondy, will go to Fort Wayne tomorrow to reside at No. 78 Douglas avenue. Mr. Sherbondy, who is a Wabash engineer, running between Toledo and Fort Wayne, is already there."

Funeral services of Amos Sine were held this afternoon and veteran soldiers and members of the Masonic fraternity were present in large numbers. The members of Anthony Wayne post accompanied the remains to Eel River cemetery and performed the ritualistic burial service there.

Miss Code Wilcox and Miss Helen Donahue attended the high school reception at Huntington last evening.

Dr. Ed C. Neville has left for Seattle, Wash., to locate permanently. He is a graduate of the Fort Wayne College of Medicine.

Lagrange Standard: "L. J. Baldwin shipped his household goods to Fort Wayne Monday. Mrs. Baldwin and children visited in Valentine Sunday and went to Fort Wayne Monday."

Miss Agnes Bennigen entertained very pleasantly Wednesday evening in honor of Miss Clara Wehmeyer, of Kendallville. In the games first prizes were won by Miss Wehmeyer and Edward Rosenberger, the consolations going to Miss Holzauer and Ed Wehmeyer.

COW BURNED TO DEATH.

A barn in the rear of D. F. Sieling's grocery, Wayne trace and New Hope avenue, was burned to the ground yesterday, causing a loss of $1,000, with insurance of $500. A cow was burned to death and a horse was badly scorched, but succeeded in breaking out of the stable. A wagon and two buggies were gotten out, but a large quantity of feed was burned.

Parents' Responsibility Great

It is the right of every child to be well born, and to the parents it must look for health and happiness. How inconceivably great is the parents' responsibility, and how important that no taint of disease is left in the blood to be transmitted to the helpless child, entailing the most pitiable suffering, and marking its little body with offensive sores and eruptions, catarrh of the nose and throat, weak eyes, glandular swellings, brittle bones, white swelling and deformity.

How can parents look upon such little sufferers and not reproach themselves for bringing so much misery into the world? If you have any disease lurking in your system, how can you expect well developed, healthy children? Cleanse your own blood and build up your health, and you have not only enlarged your capacity for the enjoyment of the pleasures of life, but have discharged a duty all parents owe to posterity, and made mankind healthier and happier.

There is no remedy that so surely reaches deep-seated, stubborn blood troubles as S. S. S. It searches out even hereditary poisons, and removes every taint from the blood, and builds up the general health. If weaklings are growing up around you, right the wrong by putting them on a course of S. S. S. at once. It is a purely vegetable medicine, harmless in its effects, and can be taken by both old and young without fear of any bad results.

SSS

Write us about your case, and let our physicians advise and help you. This will cost you nothing, and we will also send our book on blood and skin diseases. THE SWIFT SPECIFIC CO., Atlanta, Ga.

Kodol Digests what you Eat
Dyspepsia Cure

The medical profession is one of the most conservative in the world. It is well that it should be so. We want no experimenting with our lives or health. The physician is naturally and justifiably careful to prescribe no remedy until well satisfied of its merits. So it is no small testimonial to the worth of Kodol Dyspepsia Cure that it is coming into general use among physicians of all classes. They appreciate even more readily than the layman that it gives weak stomachs just the rest they need and are prescribing it freely with wonderfully successful results. No dieting is necessary. Eat all you want. While you are strengthening the body with wholesome food Kodol Dyspepsia Cure is restoring the stomach to perfect health by relieving it of its work. Don't be satisfied with merely temporary relief when this remedy offers a complete cure. "I have used in my practice quite a lot of Kodol Dyspepsia Cure with no failures but relief in almost all cases," writes Dr. W. L. Wallace of Kingstree, S. C. "After an active practice of forty-five years this is the first time I have ever had occasion to publicly advise all dyspeptics that they have a certain remedy in Kodol Dyspepsia Cure."

Cures All Stomach Troubles.

Prepared by E. C. DeWitt & Co., Chicago. The $1 bottle contains 2½ times the 50c. size.

When you suffer from biliousness or constipation use the famous little liver pills known as DeWitt's Little EARLY RISERS. They never gripe.

Sold by Meyer Bros. & Co., Druggists.

No canvassers or collectors to harass you or misrepresent others to effect sales.

An Electric Belt Free

Send Your Application At Once To The Physician's Institute.

They Will Send You Absolutely Free One of Their 1902 Grade Supreme Electric Belts, the Most Wonderful Curative and Invigorating Current—You Handle It Send Given A Postage Stamp, Just Your Name and Address.

Seven years ago the State of Illinois granted to the Physicians' Institute of Chicago a charter. There was need of something above the ordinary method of treatment for chronic diseases, something more than any one specialist or any number of specialists acting independently could do, so the State itself, under the powers granted it by its general laws, gave the power to the Physicians' Institute to furnish to the sick such help as would make them well and strong.

Ever since its establishment this Institute has endeavored in every possible way to carry out the original purposes of its establishment under the beneficient laws of the State.

Three years ago, the Physicians' Institute, realizing the value of electricity in the treatment of certain cases of disease, created under the superintendence of its staff of specialists an electric belt, and this belt has been proved to be of great value as a curative agent. From time to time it has been improved until it reached that stage of perfection which warranted its present name of "Supreme."

This belt is the most effective of all agents in the cure of rheumatism, neuralgia, lame back, nervousness, sleeplessness, weakened or lost vital functions, varicocele, kidney disorders and many other complaints.

This "Supreme Electric Belt" is made in one grade only—100 gauge—there is no better electric belt made and no better belt can be made. Whenever in the opinion of our staff of specialists the wonderful curative and revitalizing forces of electricity will cure you we send you, free of all cost, one of these Supreme Electric Belts, it is not cast on trial, it is yours to keep forever without the payment of one cent. This generous offer may be withdrawn at any time, so you should write to-day for this free "Supreme Electric Belt" to the Physicians' Institute, at 199 Masonic Temple, Chicago, Ill.

JUDSON EXCURSIONS

YOU are invited to accept these extraordinary ticket bargains and the advantages of the Judson-Alton Through California Service. Sleeping Cars, without change, Chicago to Salt Lake City, San Francisco, Los Angeles and Portland. Two routes—"Scenic" and "True Southern."

Mr. Geo. H. Lennartz, Agent Judson-Alton Excursion Company, 509 Marquette Building, Chicago, Ill., will gladly elaborate upon the foregoing. He deals in that direct way which is the result of experience in arranging transcontinental journeys. He has inducements to offer which are "worth while," and his courteous assistance does not end when tickets are bought. Specially selected tourist managers go through from Chicago to the Pacific coast, attending to the checking of baggage, pointing out scenery and places of interest, and giving the attention en route which makes the transcontinental trip comfortable and enjoyable. Let Mr. Lennartz place your name on his mailing list for detailed advertising matter. His little book explains everything; answers all questions.

If it is not California, it may be some other Western State. To almost all we have greatly reduced rates and through cars. Do us the honor to let us figure with you.

THE LORD A SURE DELIVERER

HE IS WITH YOU NOW AS WITH JEREMIAH OF OLD.

Weakest Agencies Often Used to Bring About Desired Results—Major Hilton's Sermon.

"The Lord a Sure Deliverer" was the theme of Major Hilton at the Third Presbyterian church last evening, the evangelist taking as a basis for his discourse Jeremiah, 1:19, "And they shall fight against thee; but they shall not prevail against thee; for I am with thee, saith the Lord, to deliver thee." In part, Major Hilton said:

"The Lord was with Jeremiah, just as He is everywhere today, for a definite, specific purpose. My friend, you need have no more doubt of it in your case than in the case of Jeremiah. This man whom God selected to send out against that nation to tell the people of their sins was timid, bashful and shrinking. It appalled him when he found out what God had for him to do. Generally it is not the especially great and strong, not the kings, but the shrinking and the lowly that God selects to work out the divine mission. It is the weak instrument that God wants. The weak are made mighty instruments in God's hands. And sometimes the Lord has to make men weak; He has to humble and weaken some great preachers occasionally—those who get puffed up.

MAJOR HILTON.

"It is a blessing that God veils the future from us. It is well tonight that you and I can not look out and see what is before us tomorrow or the next day and see what is coming. It might be something that would render us useless from worrying, fretting and stewing over what is coming tomorrow. This worrying is unnecessary, for tomorrow we may be in the hands of the undertaker. It is those who believe they are so weak that they can do nothing that God wants. It's the littles that God makes great. It was the little boy that came with the loaves and the fishes. It was a weak agency that He glorified here."

The evangelist referred to a case at Pittsburg some years ago when a 3-year-old child, traveling alone from Warsaw, Ind., to Johnstown, Pa., engaged the sympathy and assistance of people all along the route. His absolute helplessness aroused the sympathy and was his greatest strength. "So it is with those who are serving God," continued the major. "God will protect, no matter what circumstances surround. God was with Jeremiah. Why? To deliver him. He is the Great Deliverer, and a deliverer delivers just as a Savior saves." Another anecdote was of a Massachusetts soldier during the civil war who desired to reach the bedside of his dying father, but could not see President Lincoln, who alone had power to grant him the privilege. He aroused the sympathy of "Tad" Lincoln, the president's son, and secured the pass. "This is the relation that exists between the obedient child of earth and the King of Kings. All the powers of earth and the devils of hell shall not prevail against Him.

"The secret of Jeremiah's power was that God was behind him. Do you think God took his eye off Jeremiah, either, when he was in the pit or in prison? Not for a moment. And He never takes His eye off you and I. I'm glad to tell you of a God like this; the same today, yesterday and forever. The barriers, obstacles and difficulties seemed appalling to Jeremiah as they have to me and will to you, but the Lord will deliver us out of them all, no matter how many there are. The enemies that assail your soul shall fight against you, but they shall not prevail against you, for the Lord says, 'I am with thee to deliver thee.' O, my friends, have you a burden tonight? I want you to look to the God of Jeremiah. Do not turn from His loving hand. He is a sure deliverer, and He is willing to deliver you just now."

There will be services as usual this evening and Sunday afternoon at 3 o'clock Major Hilton will conduct a meeting for young people at the Third church. The word "young" in this connection the evangelist defined as including all persons between the ages of 15 and 115.

NEGRO'S THIRD VICTIM DIES.

Philadelphia, Pa., April 4.—Eloise, the seven-year-old daughter of Ella J. Jarden, otherwise known as Mrs. Ella J. Furbush, who was shot on Tuesday by William H. Lane, a colored servant, died in a hospital this morning from the effects of her injuries. Lane at the same time shot and killed the mother and ten-year-old sister of the little girl.

WOMEN HAND TO ROB.

Marion, Ind., April 4.—Mrs. Viola Woods, who turned state's evidence and implicated Mrs. Rosa Vardeman in a large amount of shoplifting, which resulted in the arrest and searching of Mrs. Vardeman's home and the finding of a patrol wagon load of goods, has now declared that five women are banded together and have been systematically robbing the merchants of the city for more than two years and that some of them have been shoplifting for five years. On information of Mrs. Vardeman Mrs. Carrie Barnes was arrested yesterday and some goods alleged to have been stolen were found in her house. Miss Pearl Gray, who lived with Mrs. Barnes, was also taken to the police station and a fur collar worn by her was identified as being stolen from a local department store. The home of Mrs. John Brewer, a sister of Mrs. Vardeman, was also searched and some goods alleged to have been stolen recovered.

TOLLING BELL A MYSTERY.

(Buffalo, News.)

The tolling of the bell in the steeple of the Christian church has set people living in that vicinity to speculating as to the mysterious occurrence. About half past 9 last night it began tolling and tolled for two or three minutes, not regularly as though tolled by the sexton, but at varying intervals. It will be remembered that just a year ago the bell tolled in the same way and at that time the superstitious ones who heard it believed that it boded a death in the neighborhood. The bell may have been swinging by the wind, but if so, why didn't it ring Saturday night, when the wind was much stronger than last night? Whether the tolling is done by wind or ghosts it creates a very unpleasant feeling when it sends forth its dismal sounds at night.

WAS RESULT OF A RUNAWAY.

Later information from Wichita, Kas., is to the effect that the death of Irwin Stratton, the former Fort Wayne attorney, which was noted in The Sentinel last evening, was due to injuries received in a runaway accident at San Bernardino, Cal.

ROBBERS IN A BANK.

Warsaw, Ind., April 4.—Four masked men attempted to rob Kinsey Bros.' bank at Claypool early yesterday. After binding and gagging Night Watchman Dean, they attempted to blow the safe with nitroglycerine and the explosion awakened Dr. Leiber, living near-by. He gave the alarm by telephoning the local exchange. It happened that the bank building, in which the burglars were at work, was called. The ringing of the telephone bell in the bank frightened them and they made a hasty escape in a rig previously stolen and concealed in a near-by field. The explosion blew open the outer door of the safe, but the inner door remained intact. Four dollars, which was taken from the watchman, was all the booty they got.

JOHNSON ARRESTED AT HOME.

Anderson, Ind., April 4.—Half an hour after his arrival at this city last evening Manson U. Johnson, the alleged forger, was placed under arrest on a warrant sworn out by George Mathes, a wealthy wagon manufacturer, who is said to be Johnson's heaviest creditor. Mr. Mathes, it is said, has $15,000 worth of township warrants which he purchased from Johnson. On reaching this city in company with J. J. Netterville last evening Johnson was taken to his home where he was later found by the sheriff. Johnson gave a $1,000 bond signed by his father for his appearance to answer the charge of forgery placed against him.

TWO THINGS in the treatment of nasal catarrh are now fully understood. First, the drying process is a delusion that produces more misohief than benefit. Second, science, common sense and experience proclaim Ely's Cream Balm to be instant relief and final, certain cure. It cleanses the diseased membranes and never makes the patient sneeze. Price, 50 cents. Sold by druggists and by Ely Brothers, 56 Warren street, New York.

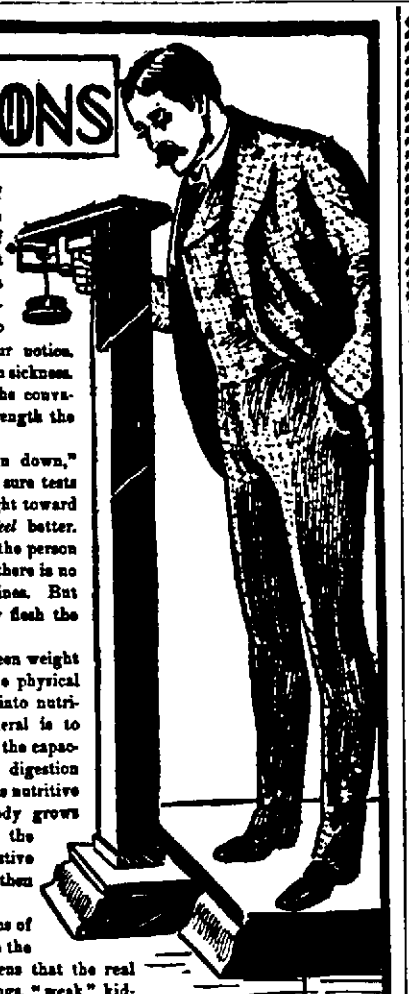
THE PEOPLE'S STORE.

Patterson sells the best $1.00 umbrella in the world, and it has a fine birch handle like the $5.00 grade.

WEIGHTY REASONS



Is there any relation between the weight of the body and its health? Unquestionably there is. Every dollar of the millions of dollars of life insurance attests that fact; for if the weight falls below the normal ratio to height not a dollar of insurance can be obtained. In ordinary we do not think of weight in its relation to health. But sickness forces the fact upon our notice. We remember the attenuation which comes with sickness. We recall how loosely the clothes hang upon the convalescent, and how day by day with growing strength the scale tells of increasing weight.

When a man or woman is weak and "run down," losing flesh, with failing strength, one of the sure tests of returning health will be the increase of weight toward the normal. It is not enough simply to *feel* better. There are stimulating medicines which make the person who takes them "feel good," for a time, yet there is no real physical gain from the use of such medicines. But when the body is built up with good healthy flesh the restored strength is a real thing.

The reasons for the intimate relation between weight and health are easily to be understood. The physical life is sustained by food which is converted into nutrition. One of the results of disease in general is to reduce the nutrition of the body by reducing the capacity of the stomach (and its allied organs of digestion and nutrition) to prepare the food eaten for its nutritive service. Naturally the poorly nourished body grows thin and weak. This is especially true when the disease directly attacks the stomach and digestive and nutritive tracts. The food eaten cannot then be properly digested and perfectly assimilated.

Owing to the dependence of all other organs of the body for their nutrition and strength upon the stomach and its allied organs, it often happens that the real cause of so-called "weak" heart, "weak" lungs, "weak" kidneys, sluggish or "weak" liver, etc., is the "weak" stomach. This is proven by the fact that when Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition it is generally the case that other forms of disease are cured also. The "weak" heart grows sound, the "weak" lungs grow strong, and the kidneys and liver resume their normal activity.

"I used ten bottles of Dr. Pierce's Golden Medical Discovery and several vials of his 'Pleasant Pellets' a year ago this spring, and have had no trouble with indigestion since," writes Mr. W. T. Thompson, of Townsend, Broadwater Co., Montana. "Words fail to tell how thankful I am for the relief, as I had suffered so much, and it seemed that the doctors could do me no good. *I got down in weight to 125 pounds, and was not able to work at all. Now I weigh nearly 150* and can do a day's work on the farm. I have recommended your medicine to several, and shall always have a good word to say for Dr. Pierce and his medicines."

"I suffered for twelve years with female trouble," writes Mrs. Milton Grimes, of Adair, Adair Co., Iowa, "which brought on other diseases—heart trouble, Bright's disease, nervousness, and at times would be nearly paralyzed. Had neuralgia of stomach. I can freely say your medicines (nine bottles in all, four of 'Golden Medical Discovery,' five of 'Favorite Prescription' and two vials of Dr. Pierce's Pellets) have cured me. I can work with comfort now, but before I would be tired all the time and have a dizzy headache, and my nerves would be all unstrung so I could not sleep. Now I can sleep and do a big day's work, something I had not done for over eleven years before. You have my consent to publish this testimonial, hoping it will be the means of helping some other invalid."

"I had been suffering with kidney trouble twenty years," writes Miss Minnie Ryan, of 1537 Louisiana Avenue, St. Louis, Mo., "and I had doctored with a number of the best physicians. I would get better, then worse again, until I read of Dr. Pierce's medicines. A little over two years ago I commenced taking your 'Golden Medical Discovery' and 'Favorite Prescription,' and took also several vials of Dr. Pierce's Pleasant Pellets. I took eight bottles (four of each), and I feel now perfectly cured."

Thousands of men and women have written in terms similar to the above in testimony to wonderful cures effected by the use of "Golden Medical Discovery." It always helps. It almost always cures. By curing diseases of the stomach and other organs of digestion and nutrition, "Golden Medical Discovery" restores the normal nutrition and so builds up the body with sound flesh. It increases the activity of the blood-making glands, so increasing the supply of pure, health-giving blood. It cures nervousness, despondency and loss of appetite as well as eruptions and skin diseases generally, which are the result of an impure condition of the blood.

WORTH ITS WEIGHT IN GOLD.

Annie Barnett, Hitson, Fisher Co., Texas, says: "I like my 'Medical Adviser' so much. It is worth its weight in gold."

Dr. Pierce's Common Sense Medical Adviser, containing over one thousand pages, is sent *free* on receipt of stamps to pay expense of mailing *only*. Send 31 one-cent stamps for the cloth-bound volume or only 21 stamps for the book in paper covers. Address Dr. R. V. Pierce, Buffalo, N. Y.

Toothbrush Topics

Sanitarily considered logically lead to the conclusion that Ranke & Nussbaum's Drug Store keeps the best selected stock of Toothbrushes in this neighborhood. Our stock is selected with the utmost care with an eye single to the quality of the goods we offer. We have Toothbrushes from 10 cents up. You buy the 10-cent kind on your own responsibility. From 25 cents up, however, we guarantee the goods. The bristles in a good brush will not come out. A good brush will outlast half a dozen poor ones.

Woman's Life Saved.

A rather curious case came to our attention of a woman in Detroit whose life was saved "several times," as she says, by Ath-lo-pho-ros. Once is a good record, but "several times" makes her a warm advocate of Ath-lo-pho-ros whenever rheumatism is mentioned—you can write to her if you want —Mrs Nauman, 660 12th St., Detroit, Mich. She says Ath-lo-pho-ros is the best and only medicine that will cure rheumatism, "because it has cured me," and she says "the swelling and intense pain ceased within five minutes after the first dose." She further says, "the disease has no more dread for me as long as Ath-lo-pho-ros can be obtained." What it has done for her it will do for anyone.

OLD PLOT IS DISCOVERED

ESQUIMAULT NAVAL DOCKS AND FORT TO BE BLOWN.

An Irishman and a Belgian Were to Do It Two Years Ago—Hatched in San Francisco.

San Francisco, April 4.—A special to the Call from Vancouver, B. C., says:

Former Premier Charles A. Semlin has just made public the fact that a plot to blow up the naval docks and fortress at Esquimault was discovered and frustrated in 1900. The plan, it is alleged, was arranged in San Francisco by members of the Clan-na-gael. It is asserted that two men were sent from San Francisco for the purpose of carrying out the blowing up of the docks. Their names, as learned by the British consul at San Francisco, were Danny McDermott and Albert Renwicker, the former an Irishman and the latter a native of Belgium.

The information communicated by the consul at San Francisco was that a meeting of the Clan-na-gael had been held there at which means were discussed of how to aid the Boers in their war against Great Britain. When the meeting was called at first there was no intention to suggest the use of force, but McDermott, who was present, offered to go to Esquimault and attempt a body blow by dynamiting as much as possible the forts and the navy docks there. He asked for the naming of a companion to assist him in the deed.

Renwicker offered himself and was accepted. The two men were closely shadowed by detectives. After reaching Esquimault, Renwicker became alarmed and disappeared and McDermott was marched to a wharf and sent back to San Francisco by steamer.

STORY IS CONFIRMED.

San Francisco, April 4.—Courtenay Walter Bennett, the British consul general in this city, confirmed the story from Vancouver as to the frustration of the plot which he says was discovered during the tenure of office of his predecessor, the late Mr. Pickeregill, who informed the governor-general of Canada. He would give no further information except that it was the work of a society affiliated with Fenian organizations. Irishmen who are prominent in the local patriotic societies emphatically deny that there ever was a branch of the Clan-na-Gael in this city. They also state that they know of no Irishmen of the names mentioned in the Vancouver dispatch who could possibly be implicated in any plot against the British naval station.

IN NORTHERN INDIANA.

The Hicksville Telephone company will build a line to Maysville.

Mrs. Jennie L. Tyler, a prominent Elkhart woman, is dead at the age of 70.

Montpelier will give a street fair this year and committees are already at work.

Rev. J. A. Kek, an Ossian minister, fell from a wagon and sustained a fractured arm.

Rev. F. M. Stone, of Warsaw, will deliver the Decoration day address at Depauw university.

A new bank has been organized at Bourbon, to be known as the First State bank of Bourbon.

The flouring mill at Dora, Wabash county, was totally destroyed by fire early Thursday morning.

The will of the late Dr. R. P. Davis, of Portland, leaves a $1,000 bequest to the M. E. church in that city.

Christian Weisseise, a Wells county pioneer, died Thursday at his home near Markle. He was 73 years old.

Mr. and Mrs. M. J. Lee, of Huntington, have just celebrated the fifty-ninth anniversary of their wedding.

A new military company at Plymouth has just been mustered into the state service. Major J. E. Miller, of Fort Wayne, was the mustering officer.

St. Joseph conference of the U. B. church has started a movement to erect a $30,000 home for aged ministers at Winona. A committee has been authorized to select a site.

Goldie Zentz, the 4-year-old daughter of Isaac Zentz, of Goshen, was attacked by a hog and blood poisoning is feared. The animal broke the girl's arm and frightfully lacerated her face.

The residence of George Long, in Jefferson township, Whitley county, was totally destroyed by fire early Thursday morning, together with all its contents. The occupants barely escaped with a little of their clothing. Cause is a mystery.

Mrs. Norton Thompson, of Clear Spring township, Lagrange county, committed suicide by hanging herself to a bedpost, using a strip of denim as a noose. Brooding over the death of her daughter is presumed to have been the cause.

Early Thursday morning four masked men bound and gagged the night watchman at Kinsey Bros.' bank, at Claypool. The effort to rob the bank was unsuccessful, the thieves securing but $4.50. They took the watchman's pocketknife and tobacco and made their escape by means of a stolen team, which was later found near North Manchester.

GERMANY EXPLAINS.

Berlin, April 4.—The North German Gazette, the chief mouthpiece of the government), today replies to the statements contained in the dispatch of the Associated Press yesterday, announcing that the society for the protection of the interests of the German chemical industry declared that the government did not consult the imperial health council before prohibiting the import of meats treated with boracic acid. The Gazette reasserts that the health council's committee on food products voted, October 12, 1901, for the boracic prohibition, unanimously with the exception of one vote, adding that all the medical experts who participated voted for the prohibition.

TWO KILLED IN A WRECK.

Pittsburg, Pa., April 4.—Two men were killed, one seriously injured and a number of cars wrecked and cattle killed by a freight wreck at Cragdell, Pa., on the Allegheny Valley division of the Pennsylvania railroad, at an early hour this morning. The dead: Harry Dheen, fireman, of Williamsport; body taken to New Kensington, Pa.; W. B. Mosher, brakeman, of Olean, N. Y.; body taken to New Kensington, Pa. The injured: J. A. Williams, engineer, of Pittsburg, brought to this city. The accident was caused by a landslide.

CALL FOR M'KINLEY FUNDS.

Cleveland, Ohio, April 4.—Judge William R. Day, president of the McKinley National Memorial association, has made a request that all contributions to the memorial fund be forwarded to Myron T. Herrick, treasurer, at Cleveland. Many thousand dollars have been subscribed by schools and school children throughout the country, especially on January 29, McKinley's birthday. Judge Day announces his desire to have all these collections in the hands of the national treasurer at an early date.

Rev. J. A. P. McGaw will meet those who have expressed a desire to lead a Christian life, and any others desiring to talk with him, in his study in the church, Saturday at 2:30 p. m.

Mothers, be sure and use Mrs. Winslow's Soothing Syrup for your children while cutting teeth. It is the best remedy of all. my5eod-w

THE GREAT CANADIAN CURE

"WRIGHT'S RHEUMATIC REMEDY"

Is making cures where all other means have failed. Can you doubt such evidence as this?

PERU, Ind., Feb. 25, 1902.

It was while working in the Rolling Mills at Bellefonte, Pa., about six years ago, that I was first taken with "Sciatica" Rheumatism. I called in my physician, who prescribed for me, but gave no relief. I was compelled to take to my bed after a year's suffering. The physician of the company gave me up and said that my case was incurable and would speedily end in paralysis. My wife then sought another physician of note, who attended to me for about a year and who said that I could not be cured. I had been in bed for nearly two years suffering with everything, with such relief as hypodermic treatment gives. After being given up by the two physicians, through the influence of friends I was taken in as an inmate of the city hospital at Williamsport, Pa., and received the best treatment that hospital afforded. I remained about eleven weeks and was then discharged by the attending physicians as incurable and returned to my home. After several months at home, I was again sent to Williamsport, Pa., hospital, to be under the personal care of Dr. McCormac, a Specialist of repute. After five weeks under his care he said that my case was hopeless, and I again was returned to my home. For another year I laid at my home and was treated by the local physician without benefit, and as a last recourse I was sent to the city hospital at Lock Haven, Pa., and remained there under the care of the staff of physicians, who at the end of five weeks told me that they could not do anything for me, and for the third time I was returned to my home at Howard, Pa. I remained there crippled and almost helpless for three years, when my family brought me to this city last October. I was barely able to move on crutches. While at the depot at Columbus, Ohio, I was spoken to by a gentleman who said that he had been cured of a bad attack of Sciatica by the use of "Wright's Rheumatic Remedy," and advised me to try it, and I was also advised by my sister-in-law, who said that this medicine was doing a great deal of good. It was upon the strength of such strong testimony that I procured a bottle, and to my great surprise, the awful pains that I had been bearing for nearly six years ceased before I had been taking your W. R. R. two weeks, and I began to feel better, and have been gaining in health and strength every day since. My right arm and hand were useless. Now the full use has returned. My limbs, that I could not bear to have touched, I can now use and can walk and go around as usual. I can hardly comprehend that after so long a time, being given up by three hospital staffs and three different physicians, that I am feeling so well, and now on the way to again being able to work and be of use and service to my family by the use of your wonderful W. R. R.

(Signed.) JAMES AGNEW.

This is to certify that Mr. James Agnew signed the foregoing testimonial in my presence and personally gave it to me of his own free will.

ROBERT ROONEY.

If you are feeling dull and sluggish, have no appetite, generally run-down condition, try a bottle of "Wright's Canadian System Tonic," the best spring medicine ever brought to this city.
